G 13

Oneday I had a dream that I was a rain drop. I was Falling from the shie, I saw birds, planes, clouds, and large cities. When I Finnally landed I landed in a jar that a kid was holding. Then he started talking to me and asked if I wanted to be his Friend, and I said yes. So me and my friend (name) went inside to pla Madden 2003 but I watched him play because I couldn't play because I'm a raindrop. We had a lot of fun. He even took me to school with him. But just when we became good friends I started missing my old friends. So I said goodbye to (name) and said that I'll Play with him another rainy day.
