I disgree with the graduated licenes system. Because it wouldn't be no fun with out a lot of people. We like riding around with each other. It wouldn't be fun riding around by your self. Because it wouldn't be no fun with out a lot of people. It's not right tha a surtan of melt of people can ride with you. Because your friends like to ride with you. We like riding around with each other. Because it is fun riding with each other. It is boring riding with no body. If you have nobody with you might have a seack It wouldn't be fun riding around by your self. Because if somebody an't with you you might go to sleep. And you sould always have somebody with you. It an't fun if you don't have somebody with you. Or You might not won't any body with you but you should I disgree with the graduated licenes system.
