Car are 1 of the leading Killers. The Kill more people than hart actes. Lot of my freinds have been in a car reck. I am just 17 and have a full license. I however, do not think the number of passengers is a dig diel.

For example, My friend (name) has had a reck. I was just him and he just ran of the road. (Name) was ok. but I think he would have reck anywas, no mater how was in the car.

I think we need more respoble drivers. You can be respoble at 16 or 17 yrs old. You just have to respect the car. For instance, To 22 yr.olds were flying down a back road of my home town. They lost control of the car and hit a light pole. Both men were Killed. Thanks to no respoble driving.

You see, I do not think it is an age thing so much as a respoblety. I have been driving sents I was 16 and have not had a reck or a ticket. My Mom and Dad at a early age made me respect a car.

I realy do not think you are going to be abeal to save much of the probles with recks, by changing the ages of the
