Restricted Licence

How would you feel if you had a restricted permit, and licence at age 16? You could only have one passenger, time limitations on when you can drive, and you have to have so many hours before you can get your licence.

First of all, I think that it is a hassel when you can only have one passenger. If you want to go somewhere and both of your friends want to go, they can't. It would limit the things you would be able to do.

Secondly, if you have an 11 o'clock curfew, and there's something that you want to do, such as go to a movie, you can't. Or if you're at a party and you want to go somewhere else, you can't. Or perhaps, you have to work late, you would have to get your hours reduced to fit your schedule.

Thirdly, you have to have so many hours before you can get your licence. Your parents may work a lot and not have time to practice with you. Also, they might not want you driving their car, because their afraid you'll wreck it.

In conclusion, it is a hassel when you can only have one passenger, or time limitations on when you can and cannot drive. It also wouldn't benefit those that don't have a car or their parents work a lot so they wouldn't get
