My Day as a Raindrop

Have you ever bin a raindrop? "I have." It was fun being araindrop. At farst.
The day I was a raindrop. I whint to the plases raindrops go. It was fun hageing with my friends. We had fun, we played games to. Than we whent to go play more games. After that we when to fine: awer friends, we could not fine awer friends. Then my mom came in my roum, and wouke me yup. Then I rillise I was not a raindrop.
Thats the day as a raindrop. It was not fun being a raindrop. I hope I don't haven a gin. Becose my friend got mad at me.
