I like the school why?

I like the school because study in class, sports, friends, activities and ESL.

Because study much in the class. For example in Language teacher name i can in read.

Because sports, I like the sports. For example in P.E. I playing volleball.

Because friends have friends and they are cool. For example Name, Name, Name, Name and the teachers.

Because activities, the school more activities.

Because in ESL can have class and activities studying.

In conclution I like the school because can have study in class, sports, friends, activites and ESL.
