Introduction

The Gold Sneaker Initiative enhances policy related to health and wellness within licensed childcare providers in Tennessee. Gold Sneaker consists of 7 policies which deal with physical activity, nutrition and a tobacco-free campus. Participation in Gold Sneaker is voluntary and is no cost to the childcare provider. Childcare programs that implement the policies will earn a Gold Sneaker award and are certified a 'Gold Sneaker' child care provider. Training is available online or in person in certain counties, for which 2 hours of continuing education is awarded and recognized by the Department of Human Services.

Effective July 30, 2018, child care providers seeking the 3-star level in the Child Health and Well-Being component are required to be Gold Sneaker certified and implement Gold Sneaker policies.

A Gold Sneaker certified childcare provider will receive the below.
- A toolkit, with $200 worth of physical activity and nutrition resources (see sample photo below)
- A resource package with educational material

Please allow up to 1 month to receive your Gold Sneaker items.
