TENNESSEE QUARTERLY FERTILIZER SALES/TONNAGE REPORT

Company: _____

Address: _____

_____ _____ _____ _____
Months Permit Number

TN DEPARTMENT OF AGRICULTURE
Division of Regulatory Services
Ag Inputs and Pesticides
Box 40627, Melrose Station
Nashville, Tennessee 37204

List under "Inspection Fee-Due" columns the tons of each mixed fertilizer grade and each fertilizer material that was shipped to or sold in each county to non-registrants for which your company is responsible for paying the inspection fee. You must file a report even if you have no tonnage to report. This report is due by the end of each quarter, which is March, June, Sept. and December. ***If the tonnage report is not filed and the payment of the inspection fee is not made within 30 days after the end of the report period, include a late fee of 10% of the amount due.*** This form and codes referenced below can be found at http://tennessee.gov/agriculture/regulatory/forms.html

County Code	Fert.* Code	Inspection Fee-Due				Grade	Inspection Fee-Exempt**			
		Bag	Bulk	Liq.	Use		Bag	Bulk	Liq.	S-Supplier C-Customer
		…… Tons			F-Farm N-Non	$N\text{-}P_2O_5\text{-}K_2O$	..... Tons			Name and Address
SUB-TOTALS										

TOTAL Tonnage _____

"** Inspection Fee 20¢/ton $ _____

*Material Codes, leave blank for mixtures.

Use only to report your sales to other registrants or to distributors who have agreed to pay the inspection fee or to report your purchases from suppliers who have agreed to pay the fee. Should not be part of tonnage reported under "Inspection Fee-Due" columns.

Make check payable to "TENNESSEE DEPARTMENT OF AGRICULTURE."
