

**Tennessee Child Count Data (618)**  
**December 1, 2010**  
**District Data**

Table 1 – Section A reflects the number of infants and toddlers, ages birth through age 2 (children who have not reached their third birthday) who are receiving early intervention services under Individual with Disabilities Education Act (IDEA) and have an Individualized Family Service Plan (IFSP) in place on December 1. Data are collected for each individual age and for each racial/ethnicity category. A cross-tabulation of individual age by race/ethnicity is not collected.

Beginning with December 1, 2010 Child Count addressing ‘race/ethnicity’ reporting requirement changed. The procedures for collecting, aggregating, and reporting race and ethnicity changed from five to seven categories along with the definitions of those categories. The following definitions of the seven categories for aggregate report of race/ethnicity have been adapted from definitions appearing in the *new guidance*.

- **Hispanic/Latino:** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. Refers to Hispanic and/or Latino.
- **American Indian or Alaska Native:** A person having origins in any of the original peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment. (*Does not* include persons of Hispanic/Latino ethnicity.)
- **Asian:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent. This includes, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. (*Does not* include persons of Hispanic/Latino ethnicity.)
- **Black or African American:** A person having origins in any of the Black racial groups of Africa. (*Does not* include persons of Hispanic/Latino ethnicity.)
- **Native Hawaiian or Other Pacific Islander:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands. (*Does not* include persons of Hispanic/Latino ethnicity.)
- **White:** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa. (*Does not* include persons of Hispanic/Latino ethnicity.)
- **Two or more races:** A person having origins in two or more of the five race categories listed immediately above. (*Does not* include persons of Hispanic/Latino ethnicity.)

Definitions of the Five Race/Ethnicity Categories utilized from 2005 through 2009:

- American Indian or Alaska Native: A person having origins in any of the original peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.
- Asian or Pacific Islander: A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. The Pacific Islands include Hawaii, Guam, and Samoa.
- Black or African American (not Hispanic): A person having origins in any of the black racial groups of Africa.
- Hispanic or Latino: A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.
- White (not Hispanic): A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.
- Total: The unduplicated total across the race/ethnicity designations.

**Table 2 – Report of Program Settings** - Beginning with the December 1, 2006 Child Count, OSEP reporting requirements changed related to ‘Program Settings’ data. The seven program settings previously reported (Program designed for children with developmental delays or disabilities, Program designed for typically developing children, Home, Hospital (inpatient), Residential facility, Service provider location, and Other) have now been collapsed into three settings. The definitions for these three settings are presented in Table 2.1 below.

Table 2.1

Program Setting	Definition
1. Home	Services are provided primarily in the principal residence of the child’s family or caregivers.
2. Community-based	Services are provided primarily in a setting where children without disabilities typically are found. These settings include but are not limited to child care centers (including family day care), preschools, regular nursery schools, early childhood center, libraries, grocery stores, parks, restaurants, and community centers (e.g., YMCA, Boys and Girls Clubs).
3. Other Setting	Services are provided primarily in a setting that is not home or community-based. These settings include, but are not limited to, services provided in a hospital, residential facility, clinic, and EI center/class for children with disabilities.

**Table 3 – Report on Infants and Toddlers Exiting Part C Programs.** State counts of the number of infants and toddlers with disabilities, ages birth through age 2, who exited Part C services during a 12 month reporting period. Only infants and toddlers who had an active individualized family service plan (IFSP) in place at some time during the State determined 12 month reporting period. Tennessee’s 12 month reporting period is July to June.

**Table 3.1**

<b>Program Completion</b>	<b>Definition</b>
1. Completion of IFSP <i>prior to reaching maximum age</i> for Part C.	Include all children who have <i>not reached maximum age</i> for Part C, have completed their IFSP, and no longer require services under IDEA, Part C.
2. Eligible for IDEA, Part B.	Include all children served in Part C who exited Part C and were determined to be eligible for Part B during the reporting period. This includes children who receive Part B services in conjunction with Head Start.
3. Not eligible for Part B, exit with referrals to other programs.	Include all children <i>who reached maximum age</i> for Part C, were determined not eligible for Part B, and were referred to other programs, which may include preschool learning centers, Head Start (but not receiving Part B services), and child care centers, and/or were referred for other services, which may include health and nutrition services, such as WIC.
4. Not eligible for Part B, exit with no referrals.	Include all children who reached maximum age for Part C and were determined not eligible for Part B, but were not referred to other programs.
5. Part B eligibility not determined.	Include all children for whom Part B eligibility has not been made. This category includes children who were referred for Part B evaluation, but for whom the eligibility determination has not yet been made or reported and children for whom parents did not consent to transition planning. Include in this category any child who <i>reached maximum age</i> for Part C, and who has not been counted in categories 2 through 4 above.
<b>Other Exit Reasons</b>	<b>Definition</b>
6. Deceased	Include all children who died during the reporting period, even if their death occurred at the age of exit.
7. Moved out of State	Include all children who moved out of State during the reporting period. Do not report a child who moved within State (i.e., from one program to another) if services are known to be continuing.
8. Withdrawal by parent (or guardian)	Include all children who parents declined all services after an IFSP was in place, as well as children whose parents declined to consent to IFSP services and provided written or verbal indication of withdrawal from services.
9. Attempts to contact the parent and/or child were unsuccessful.	Include all children who have not reached the maximum age of service under Part C, who had an active IFSP, and or whom Part C personnel have been unable to contact or locate the family or child after repeated, documented attempts. Include in this category any child who did not complete an IFSP and exited Part C before reaching maximum age and who has not been counted in categories 6 through 8.
