Question: When must my system apply for a waiver?

Answer: A waiver must be requested and approved if an educator holding an Apprentice, Transitional, or Professional License is scheduled to teach more than one course or more than two sections of one course outside the area of endorsement.

Question: What supplemental information or documents should we provide in order to strengthen this application?

Answer: Evidence [original or photocopied documentation] that the educator for whom the waiver is being requested is actively pursuing or engaged in coursework to obtain the endorsement AND/OR registered to take the relevant Praxis exam.
