

New Source Review newspaper advertisements for construction permit applications, November 17, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: November 11, 2016, November 14, 2016, or November 17, 2016. Public notices are generally published every week. The previous publication of public notices was November 10, 2016.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Ferche Millwork, Inc. with a mailing address of 107 Oakwood Drive, Mt. Pleasant, TN 38474. They seek to obtain air contaminant permit(s) for a wood planer operation and associated equipment at the following location: 60-0198-02/972016 for 107 Oakwood Drive, Mt. Pleasant, Tennessee 38474. The requested operation is for the approval to emit regulated air pollutants. Mr. Jabari D. Martin is the assigned Division person.

For the Maury County "Daily-Herald"--publish once on Friday, November 11, 2016.

The applicant is UST, Inc. with a mailing address of 1427 North Main Street, Mount Pleasant, TN 38474. They seek to obtain air contaminant permit(s) for a tile manufacturing operation and associated equipment at the following location: 60-0272-01, 09, 10/972104 for 1427 North Main Street, Mount Pleasant, Tennessee 38474. The requested operation is for the approval to emit regulated air pollutants. Mr. Jabari D. Martin is the assigned Division person.

For the Maury County "Daily-Herald"-- publish once on Friday, November 11, 2016.

The applicant is Fitzgerald Truck Parts & Sales, LLC with a mailing address of 1225 Livingston Highway, Byrdstown, TN 38549. They seek to obtain an air contaminant permit (Division identification number: 69-0030-01/70817) for a spray coating operation located at the same address. This existing operation consists of one spray booth and associate equipment used for coating of miscellaneous metal parts and products. Exhaust filters are used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. M. Baghernejad is the assigned Division person.

For the Pickett County "Pickett County Press"-- publish once on Thursday November 17, 2016.

The applicant is White County Lumber Company, Inc. with a mailing address of 2025 Sullivan Knowles Road, Sparta, TN 38583. They seek to obtain air contaminant permits for a Wood Chip Operation located at 245 South Highway 107, Del Rio, TN 37727, as follows:

(1) Upper Sawmill Waste-Wood Salvage Operation with Cyclone Collector (Division identification number: 93-0028-02/958178). This existing operation consists of an electric powered wood chipper, a cyclone, an electric powered shaker, an electric powered blower, and an enclosed trailer used for chipping scrap wood, collecting chips, and loading the chips into the trailer. The cyclone is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. R. Powers is the assigned Division person.

(2) Lower Sawmill Waste-Wood Salvage Operation with Cyclone Collector (Division identification number: 93-0028-03/958179). This existing operation consists of an electric powered wood chipper, a cyclone, an electric powered shaker, an electric powered blower, and an enclosed trailer used for chipping scrap wood, collecting chips, and loading the chips into the trailer. The cyclone is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. R. Powers is the assigned Division person.

For the White County "Sparta Expositor"-- publish once on Monday, November 14, 2016.
