Instructions

PART 1 REASON FOR ACTION: If you are applying due to a loss other creditable group health coverage that is not under the state of Tennessee's group health plans you must provide documentation from the former plan. The documentation must be from the employer or insurance company on company letterhead providing the names of covered participants, date coverage ended and the reason why coverage ended.

PART 2 RETIREE INFORMATION: This section must be completed by the retiree. If you are a surviving spouse who is continuing coverage as the new head of contract on the retiree plan, please complete the application with your information as the retiree. You must submit a copy of your Medicare card with this application.

PART 3 COVERAGE REQUESTED: To be eligible for the TN Plan Medicare Supplement policy you must receive a monthly TCRS or Higher Education ORP retirement benefit. You and the dependent you wish to cover must be enrolled in at least Medicare Part A. The only exception to the requirement to receive a monthly TCRS or ORP benefit is for surviving spouses who were covered on the Medicare supplement at the time of the retiree's death and are applying to continue that coverage as the new head of contract. You must submit a copy of your Medicare card with this application. The TN Plan will not pay if you are not enrolled in Medicare. If you only enroll in Medicare Part A, the TN Plan will pay after Medicare for Part A expenses but will not pay for Medicare Part B expenses. In addition, the TN Plan will not pay behind or coordinate benefits if you have enrolled in a Medicare HMO or Medicare Advantage plan. The TN Plan does not offer any pharmacy benefits. You must enroll in Medicare Part D or subscribe to another supplemental for pharmacy needs. If you are enrolled in TennCare you do not need Medicare supplement coverage. This enrollment form must be completed within 60 days of initial eligibility which is either the date you become eligible for Medicare, your date of retirement or the effective date of loss of creditable group health coverage; whichever is later.

If you are applying 60 days or more past your initial eligibility date, you must apply as a late applicant and enrollment will be subject to approval. To apply as a late applicant you must complete the applicable sections of pages 1 and 2 and submit application to Benefits Administration. Benefits Administration will forward late applicants to the Medicare Supplement vendor for review and you will be notified directly by the vendor of the approval status of the application.

PART 4 DEPENDENT INFORMATION: This section must be completed if you are applying to cover a dependent on any of the state insurance benefits. Please note that if you are applying to cover a dependent, you must also complete their Medicare eligibility information in this section and submit a copy of their Medicare card if they are Medicare entitled.

PART 5 RETIREE AUTHORIZATION: This section must be signed and dated by the retiree (or surviving spouse if the new head of contract due to retiree death). If you have a designated Power of Attorney, a copy of the POA must be attached to this application.
