Shelby	371	188	44.4	230,565
Davidson	416	186	37.9	142,283
Knox	382	176	33.3	84,188
Hamilton	352	157	31.4	64,159
Madison	341	198	37.4	21,467
Sullivan	294	158	40.8	38,347

¹ Number of respondents who answered YES, not including females told only during pregnancy.

² Weighted risk is the estimated percentage of adult population who have high blood pressure based on the survey.

³ Population at risk is the estimated population with high blood pressure based on the survey. Note: The sum of regional estimates in this column will not add up to statewide total.

⁴ Statewide estimates include additional survey coverage by cell phone and different weighting methodology.
