Rule 0460-05-.03 Schools, Programs and Courses for the Registered Dental Assistant is amended by deleting part (6) (c) 2 in its entirety and substituting instead the following language so that as amended, the new part (6) (c) 2 shall read:

- 2. The certification course shall be taught at an educational institution, defined as a school of dentistry or a school which offers a specialty program in a recognized specialty branch of dentistry. The course director must be a licensed dentist who is a faculty member of an accredited school of dentistry. The certification course shall be taught by a course director and one (1) or more Tennessee licensed dentists and /or RDH/EFDA auxiliaries who are employed at an accredited school of dentistry.

Rule 0460-05-.03 Schools, Programs and Courses for the Registered Dental Assistant is amended by deleting subparagraph (7) (b) in its entirety and substituting instead the following language so that as amended, the new subparagraph (7) (b) shall read:

- (b) Application for Board Approval – The owner and/or director of a certification course in dental radiology shall make application for approval to operate that course of study on forms to be provided by the Board. The completed application must be received in the Board's Office at least thirty (30) days prior to the next regularly scheduled Board meeting in order for the Board to review the application. The owner and/or director of the certification course will be notified in writing of the Board's action. This section shall not apply to ADA accredited and Board-approved dental assisting programs who provide dental radiology instruction in accordance with ADA accreditation standards or

the Board-approved 116 hour dental assistant curriculum, with the exception of (e), (f) and (g) of this section.

Rule 0460-05-.03 Schools, Programs and Courses for the Registered Dental Assistant is amended by deleting part (7) (c) 1 in its entirety and substituting instead the following language so that as amended, the new part (7) (c) 1 shall read:

1. The certification course shall maintain strict compliance with all minimum standards for admissions, facilities, instructor(s), equipment, and curriculum as set forth in this rule, as amended/may be amended, in order to obtain and/or retain Board approval.

Rule 0460-05-.03 Schools, Programs and Courses for the Registered Dental Assistant is amended by deleting part (7) (d) 1 in its entirety and substituting instead the following language so that as amended, the new part (7)(d) 1 shall read:

1. The certification course shall admit only those registered dental assistants who are currently registered pursuant to Rule 0460-04-.01 (2). It is the responsibility of the course owner/director to ensure that only currently registered dental assistants are admitted to the course.

Rule 0460-05-.03 Schools, Programs and Courses for the Registered Dental Assistant is amended by deleting subparagraph (7) (e) in its entirety and substituting instead the following language so that as amended the new subparagraph (7)(e) shall read as follows:

- (e) Upon completion of the course, students shall be evaluated by written examination. The passing grade shall be seventy percent (70%). If the student initially fails the written examination, the exam may be taken no more than two (2) additional times before the course must be retaken and the exam retaken. The examination shall be developed and administered by the course director/instructor in such a manner as to determine competency in dental radiology. This also applies to ADA accredited and Board approved dental assisting programs that provide dental radiology instruction in accordance with ADA accreditation standards or the Board-approved 116 hour dental assistant curriculum.

Rule 0460-05-.03 Schools, Programs and Courses for the Registered Dental Assistant is amended by deleting subparagraph (7) (g) in its entirety and substituting instead the following language so that as amended the new subparagraph (7) (g) shall read as follows:

- (g) The director/instructor of the certification course or dental assisting program shall, within thirty (30) days after course completion or upon completion of the dental radiology portion of the ADA accredited or Board-approved dental assisting program, complete a form, provided by the Board, for each student to attest to the student's successful completion of the course or dental radiology portion and the student's examination grade. The completed forms shall be submitted directly to the Board's office by the director/instructor.

Dr. Prince made a motion to accept the Order of Compliance. Second was given by Ms. Warner. Motion carried.

**PROPOSED RULES / STATUTE / POLICY CHANGES:** The Board discussed with Counsel some of the items they wanted addressed by future rulemaking i.e. 1) use of high speed hand pieces for dental assistants with the restorative certification only for the purpose of finishing restorations; 2) enable a dental assistant who takes the restorative course to automatically be eligible for the sealant certification; 3) require an ethics/jurisprudence course (A committee was appointed to discuss and make recommendations to the Board. Dr. Hall, Dr. Jubran and Ms. Warner were appointed to serve on the Committee.) 4) institute an inspection of offices for those dentists holding sedation certification; 5) change the time required for maintaining proof of CPR certification to 4-5 years.

A discussion was had concerning the requirement for dental hygienists to limit their continuing education to no more than 50% of their coursework on line. As this is a statutory requirement, the Board has no authority to effect a change. They also discussed dentists who did not comply with the sedation/anesthesia continuing education requirement. The Board decided to make no changes to the current continuing education policy.

There being no further business, the meeting adjourned at 9:45 a.m.
