## POSITION VACANCY

### **TSAC – Software Developer Advanced** Tennessee Student Assistance Corporation

The Tennessee Student Assistance Corporation (TSAC), a state agency located in downtown Nashville, Tennessee, seeks an Advanced Software Developer.

TSAC administers a variety of need-based and merit awards, including the Tennessee Student Assistance Award Program and the Tennessee Educational Lottery Scholarship (TELS) Program. Additional information about TSAC may be found at [www.TN.gov/TSAC](http://www.TN.gov/TSAC).

Reporting to the Higher Education Assistant Executive Director of Information Systems, the TSAC Advanced Software Developer is a member of the Division of Grant and Scholarship Programs. Duties include design and modification of application code, participation in code reviews, developing database artifacts (tables, stored procedures) and implementing complex business requirements.

Required qualifications include a bachelor's degree and two or more years of professional experience in software development using C# .NET. Graduation from an accredited college or university with an Information Technology related associate's degree may substitute for the required bachelor's degree.

Essential characteristics include: passionate about technology, appreciation and affinity for clean code and SOLID principles, strong communication skills, the ability to work both independently and as part of a team. Familiarity with agile software development is desired.

Monthly salary for this Executive Service position will depend on education and experience and ranges from \$5,428 to \$8,684. Applications are currently being accepted and will continue to be accepted until the position is filled. Please submit a cover letter, resume, and contact information for three references on the form found at [https://stateoftennessee.formstack.com/forms/resume\\_submission](https://stateoftennessee.formstack.com/forms/resume_submission). Your submission materials may be copied and pasted into the form or attached in a .txt format.
