**Standards Review Policy 3.209**

---

**The Background:**

The State Board of Education has the power to adopt student instructional standards for K-12 public schools in Tennessee. It has been the practice of the State Board to review each set of curriculum standards at least every six (6) years.

This will place the State Board's practice of reviewing standards at least every six (6) years into Board policy.

**The Fiscal Analysis Impact:**

This item has no financial impact on an LEA.

**The Recommendation:**

SBE staff recommends acceptance of this item on first reading.
