The staff of the TACIR would like to acknowledge the contributions of T. Alan Waddell, M.S., who served as a Research Associate from 1999 through 2003, and Robert B. Allen, M.S.P., who served as a Research Associate from 2003 through 2004. Both of these project staff played a major role in improving the quality of the inventory that is the basis of this report. The staff would also like to acknowledge the support of Maynard Pate, former Executive Director of the Greater Nashville Regional Council, and Joe W. Guthrie, former Executive Director of the Southeast Tennessee Development District for their support of the Public Infrastructure Needs Inventory.
