Dear Ms. Turner,

Vince Loveday, E911 Coordinator for Sevier County, has checked with Mayor Larry Waters to see if the Sevier County Emergency Communications District was covered under the Sevier County Ethics Policy. Mayor Waters recommended that Vince check with Rick Hall, who is with our County Technical Advisory Services (CTAS) to confirm this. Rick Hall confirmed that since the Sevier County Emergency Communications District was created by the Sevier County Government, the District would be covered by the Sevier County Ethics Policy. The Sevier County Emergency Communications District's Board of Directors voted on and approved having the District adopt the Ethics Policy adopted by Sevier County Government.

Alene Galyon
