

To our friends in the Tennessee General Assembly,

Tennessee provides strong public education for every child. In Tennessee, public charter schools are one of the many ways students are accessing high quality public school opportunities.

This summer, **June 26-29**, Nashville will host the **National Alliance for Public Charter Schools National Conference**. This conference is taking place at the Music City Convention Center and is a great opportunity to learn more about charter schools, education policy, and to network with fellow policy makers and education advocates from across the country. We hope you will consider attending! If you are interested, the National Alliance for Public Charter Schools provides registration at no cost for policy makers and legislative staff. To register, visit the link below and enter the discount code **16LEGISCOMP** in the box at the bottom of the form:

As part of the conference, the Tennessee Charter School Center will be hosting **Tennessee's State Reception on the evening of June 28th** to allow school leaders, policy makers, and other conference attendees a chance to connect and collaborate. All members of the Tennessee General Assembly, whether registered for the conference or not, are invited to attend this event. Please mark your calendars and more details will be forthcoming in the next few weeks.

As always, thank you for your continued commitment to education in Tennessee and we look forward to seeing you there! If you have any questions, please reach out to emily@tnchartercenter.org.
