

Moving Forward Inaugural Annual Report Release

Date 6/22/2016

Time 9:00 AM TO 10:30 AM

Event Description:

Join the Moving Forward coordinating committee, task force members and advisory forum in the release of the inaugural Moving Forward annual report. This report contains findings and recommendations developed by your community and business leaders through this last year of education and study on the future transportation and transit needs in the Middle Tennessee region. The purpose of "Moving Forward: Transit Solutions for Our Region" is to ensure the creation of a regional transportation solution through a cohesive community effort. This will be accomplished by engaging business and community leaders in an annual, systematic review of the region's progress toward implementing regional transportation.
