On Wednesday, February 25, 2009, the National Federation of Independent Business will host our annual Small Business Day at the Capitol. This is one of the year's biggest days for small business, as NFIB members from across Tennessee will converge in Nashville to listen to lawmakers and share important feedback. The event will be held at the Tennessee State Capitol. We appreciate you marking your calendar for this important grassroots event.

Many attendees will have traveled a long distance and may have even closed their businesses for the day. They understand the value of their day at the Capitol. Our members have been encouraged to visit with their legislators and discuss issues of concern among the small business community. If you do not have an appointment with visiting constituents in your office, we hope you can step away from your committee work for a moment or two to speak with them.

On behalf of our members, thank you for your service to our state. I hope you will make NFIB's Small Business Day at the Capitol a very special opportunity for us to recognize the importance of free enterprise in Tennessee. I am enclosing our agenda for your convenience and a registration form for breakfast with our members.

Please do not hesitate to call me at 615-874-5288 or 615-337-5507 if you have any questions. I look forward to seeing you on Feb. 25.

Sincerely,

Jim Brown  
NFIB/Tennessee State Director
