

AMERICAN COUNCIL OF ENGINEERING COMPANIES
of Tennessee

February 27, 2014

Hon. Joe Armstrong
33 Legislative Plaza
Nashville, Tennessee 37243

Dear Rep. Armstrong:

The members of the American Council of Engineering Companies of Tennessee invite you to a reception on **Monday, March 10, 2014**, on the Veranda at the Hermitage Hotel (6th and Union Streets) beginning immediately after the session. Members from across the state are looking forward to seeing you at the reception. Please call or email me no later than March 6 to let me know if you will be able to attend (ctoler@tneec.org or 615.242.2486).

The next day, Tuesday, **March 11**, Professional Engineers will participate in our annual Engineers' Day on the Hill. I hope that they will have the opportunity to visit with you to discuss issues of concern to Professional Engineers in Tennessee. ACEC of Tennessee and the Tennessee Society of Professional Engineers jointly host this event.

We look forward to working with you on legislative issues related to engineers and the practice of engineering. If you need technical assistance in carrying out your legislative responsibilities, please feel free to contact me to find out which engineer might be the best resource for you.

Whenever I may be of assistance, I hope you will contact me.

Sincerely,

A handwritten signature in blue ink that reads "Candy Toler". The signature is fluid and cursive, with the first name "Candy" and last name "Toler" clearly legible.

Candy Toler, Executive Director
American Council of Engineering Companies of Tennessee
Tennessee Society of Professional Engineers

This invitation has been submitted to the Tennessee Ethics Commission

The American Council of Engineering Companies of Tennessee is a statewide organization of more than 100 engineering firms, employing almost 4,000 Tennesseans and contributing more than \$350 million annually to the state's economy.
