

Do you want to keep your TennCare?

Be sure TennCare has your current address.

Here's what you should do:

STEP 1

If TennCare has your current address, you do not need to do anything yet.

If you haven't given TennCare your current address, you need to call TennCare.

It's a free call: 1.855.259.0701

STEP 2

Watch for mail from TennCare.

Open and read any mail from TennCare and follow the directions.

If you don't, you could lose your TennCare.
