Architect Registration Exam (ARE) Information

(for initial registration as a Registered Architect)

You may fill out forms and applications online. The forms and applications have to then be printed because they must be signed and/or notarized.

Law and Rules

The Law and Rules can be accessed from the Board's home page. The registration law for architects, engineers, landscape architects, and registered interior designers is found at *Tennessee Code Annotated*, Title 62, Chapter 2.

Before submitting this application, be sure you have met the minimum education and experience requirements for registration, because the application fee is **not refundable**.

Applicants with Foreign Degrees

Rule 0120-1-.11 states that an architectural curriculum of four (4) years or more which is not accredited by the National Architectural Accrediting Board (NAAB) shall be referred at the applicant's expense to a person or entity approved by the Board and qualified to evaluate equivalency to a NAAB-accredited architectural program for evaluation and recommendation. The Board has approved Education Evaluation Services for Architects (EESA), which is administered by the NAAB, to evaluate foreign architecture degrees. For further information regarding the evaluation process, please contact EESA at the address below:

National Architectural Accrediting Board, Inc.

Applicants with Non-Accredited Domestic Degrees (including Canadian Architectural Certification Board [CACB] accredited and certified degrees)

Rule 0120-1-.11 states that an architectural curriculum of four (4) years or more which is not accredited by the National Architectural Accrediting Board (NAAB) shall be referred at the applicant's expense to a person or entity approved by the Board and qualified to evaluate equivalency to a NAAB-accredited architectural program for evaluation and recommendation. The Board has approved a professor of architecture to evaluate non-accredited domestic architectural degrees. The cost for such evaluations is \$40 per hour; an invoice for this service will be sent to applicants requiring evaluation following receipt of the evaluation.

Residency Requirements

An applicant for registration by exam must meet Tennessee's residency requirement ([Rule 0120-01-.03](#)).

Intern-Architect Development Program

Effective December 1, 1984, an applicant for registration by exam must have completed the Intern-Architect Development Program (IDP) of the National Council of Architectural Registration Boards (NCARB) prior to registration. You will need to request that NCARB transmit your IDP record to the Board before registration may be granted. For complete information about IDP, please contact [NCARB](#).

Early ARE Eligibility

Interns wishing to sit for the ARE before completing IDP must file this application with the Board and request that NCARB transmit a record summary to the Board office confirming that they have enrolled in IDP. Applicants applying for early ARE eligibility must also submit a transcript(s). Your transcript(s) must be submitted directly to the Board office from each institution attended. Upon completion of IDP, a complete NCARB record must be transmitted to the Board and references must be submitted before registration may be granted.

Forms

(1) Application Form –

- Fill out the application form completely (on-line or after downloading it), sign it, and have it notarized. Any major modification of state approved forms may cause the Board to reject your application.
- Provide detailed information in regard to design work on projects, progressive in nature, to enable evaluation of experience. All time/experience must be accounted for whether it is related to architecture or not. You must show the minimum required years of experience at the time of application.

(2) Reference Form –

- Submit five (5) references from persons acquainted with your technical ability and character.
 - Three of the five references must be from registered architects.
 - No more than three (3) references can be from your current employer.
- References are required from both a current employer/supervisor and a past employer/supervisor (if applicable).
- References from relatives are not acceptable.

You are responsible for sending reference forms to the persons listed on your application who will then submit them directly to the Board office.

Fees

Submit the application fee with your application. Make check payable to the **Tennessee Department of Commerce and Insurance**.

Application Fee – **\$30** (non refundable)

ARE Fees – to be paid at test center ([Click here for test fee information](#))

Biennial Registration Fee – **\$140** (due after ARE is passed)

Review Procedure

When your application packet is complete, it will be circulated among the architect members of the Board for review. If approved to take the Architect Registration Exam (ARE), the Board office will notify you and NCARB of your eligibility to take the exam. NCARB will provide all eligible candidates with information about taking the exam. For additional information about the ARE contact [NCARB](#). The review may take up to eight weeks.

Location of Exam Sites and Scheduling Information

Once this Board establishes your eligibility, you may take the exam at any location where it is offered. To take an ARE division, schedule an appointment with the test center (a Prometric Test Center) of your choice. There is no required sequence, so you may sign up to take any division(s) of the exam at any time, at any location, if there is space available. A tutorial will be available at the test center. The specifics with regard to the location of test centers, scheduling and/or canceling an appointment, etc., should be worked out directly with the test center.

The ARE is currently offered on an on-going basis, six days a week, in the following cities: Chattanooga, Clarksville, Franklin, Knoxville, Madison, and Memphis; however, you are not limited to taking the exam in Tennessee. [Click here](#) for a complete list of test center locations.

Score Reporting Procedures

This Board will notify you of your score(s) when they are received from NCARB's vendor. You will have to wait 6 months to retake any division on which you are unsuccessful.

ARE Rolling Five-Year Clock

To pass the ARE, an applicant must achieve a passing grade on each division. A passing grade for any division of the ARE shall be valid for five years, after which time the division must be retaken unless all divisions have been passed. NCARB may allow a reasonable extension of such period in circumstances where completion of all divisions is prevented by a medical condition, by active duty in military service, or by other like causes. Although NCARB will not accept scores beyond five years for the purpose of NCARB certification, *Tennessee Code Annotated* Section 62-2-504(c) allows candidates to retain credit indefinitely for any parts of the exam passed for the purpose of Tennessee registration.

For more information regarding the rolling clock [click here](#).

Pending Status

An application that lacks required information or reflects a failure to meet any requirement will be held in a "pending" status for five (5) years from the date of the application. These requirements include passing the required registration exam.

Professional Privilege Tax

All architects, engineers and landscape architects registered in Tennessee with an active registration status as of June 1 in a given year are required by State law to pay to the Department of Revenue an annual professional privilege tax. This tax should not be paid at the time of application. If your application is approved, and your registration status is active on June 1, you will be billed for the tax by the Department of Revenue. [Click here](#) for additional information.
