THE RECIPROCAL ALLIANCE RECEIVER'S MOTION FOR THE COURT TO ACCEPT AND APPROVE NUMEROUS FINAL DETERMINATIONS AS TO ENUMERATED CLAIMS

I. <u>Introduction</u>

Julie Mix McPeak, as Commissioner of the Tennessee Department of Commerce and Insurance, in her capacity as Liquidator of The Reciprocal Alliance (RRG) in Liquidation ("TRA"), and through her appointed Special Deputy Receiver, moves the Court, under T.C.A. §56-9-331, (1) to accept and approve as final the Class 6 claim determinations set forth in **Exhibit A**, and (2) to accept and approve as final the Class 7 claim determinations set forth in **Exhibit B**. This Motion <u>does not</u> request approval of a distribution, pro rata or otherwise, as to the approved Class 6 and/or Class 7 claim amounts set forth in **Exhibits A and B**, but rather only seeks approval of the listed Class 6 and 7 claims and the respective approved claim amounts presented, so that they will be established and ready for distribution, if any, upon later motion to, and order of, the Court.

II. Discussion

a) <u>Class 6 Claim Determinations Listed in Exhibit A</u>

The Class 6 claims (i.e. claims by state or local governments) set forth in **Exhibit A** are claims that have been reviewed and adjudicated with final recommended claim amounts (which at times are \$0.00) set forth. The TRA Receiver urges the Court to accept this report of final claim amounts and to approve the determined claim amounts for the Class 6 claims in **Exhibit A**. Such acceptance and approval will advance these proceedings – all that will remain concerning the attached Class 6 claims will be a request from the TRA Receiver for payment/distribution, pro rata or otherwise, upon determination of whether there are funds available for Class 6 claim payments.

The Class 6 claim determinations set forth in **Exhibit A** represent claim determinations that have either not been objected to (and thus are final) or have been objected to with the objection addressed to final disposition. Accordingly, they are ripe to be presented as the final claim amounts for the listed Class 6 claims. Pursuant to T.C.A. §56-9-331, the TRA Receiver recommends that the Court accept this report as to the Class 6 claims set forth in **Exhibit A** and approve the final claim amounts listed for these claims.

b) Class 7 Claim Determinations Listed in Exhibit B

The Class 7 claims set forth in **Exhibit B** are claims that have been reviewed and adjudicated with final recommended claim amounts (which at times are \$0.00) set forth. The TRA Receiver urges the Court to accept this report of final claim amounts and to approve the determined claim amounts for the Class 7 claims in **Exhibit B**. Such acceptance and approval

will advance these proceedings – all that will remain concerning the attached Class 7 claims will be a request from the TRA Receiver for payment/distribution, pro rata or otherwise, upon determination of whether there are funds available for Class 7 claim payments.

Each of the Class 7 claims set forth in **Exhibit B** represent claim determinations that have either not been objected to (and thus are final) or have been objected to with the objection addressed to final disposition. Accordingly, they are ripe to be presented as the final claim amounts for the listed Class 7 claims. Pursuant to T.C.A. §56-9-331, the TRA Receiver recommends that the Court accept this report as to the Class 7 claims set forth in **Exhibit B** and approve the final claim amounts listed for these claims.

III. <u>Notice</u>

A copy of this Motion – including the "Setting of Hearing" section – and all Exhibits will be mailed, via first class mail, to the Class 6 claimants listed in **Exhibit A**. Every Class 7 claimant listed on **Exhibit B** will be mailed a copy of this Motion and Exhibits to each claimant's address as shown in the TRA Liquidation's records.

A copy of this Motion and Exhibits will be sent in the mail to counsel for the Virginia Deputy Receiver. Because this Motion does not request a payment/distribution to the Class 6 or Class 7 claimants, no notice is being provided separately to Class 5 claimants (other than the Virginia Deputy Receiver). As to notice to those Class 5 claimants and as to notice in general, a copy of the Motion and Exhibits attached hereto will be posted on the Tennessee Department of Commerce and Insurance website as soon as practicable after the filing of this Motion.

IV. <u>Request That Order Granting Requested Relief Be Made</u> Final Pursuant to Rule 54.02 Tenn. R. Civ. P.

This Motion seeks relief that needs to be relied upon in advancing the progression of the TRA Liquidation Proceedings toward further distributions and ultimate closure. But the relief

afforded through granting this Motion does not address all matters at issue in the TRA Liquidation Proceedings. In order to provide certainty with regard to the relief granted, the TRA Receiver requests that the Court expressly find that there exists no just reason for delay and that the Order granting this Motion be entered as final regarding the matters addressed in that Order. Rule 54.02 Tenn. R. Civ. P.

V. <u>Conclusion</u>

For the reasons set forth herein, the TRA Receiver requests this Court, pursuant to T.C.A. §56-9-331, (1) accept **Exhibits A and B** attached hereto as a report and listing of claim determinations as to certain Class 6 and Class 7 claims, (2) approve the claim amount for each listed claim set forth in those Exhibits, and (3) incorporate those claim listings in a final order granting the relief requested herein.

Respectfully submitted,

J.W. Luna, BPR #5780
