NOTICE OF APPEAL PROCEDURES

Review of Final Order

This Final Order is issued pursuant to Tenn. Comp. R. & Regs. 0780-1-82-.10. Any party who is aggrieved by this Final Order is entitled to judicial review pursuant to Tenn. Code Ann. § 4-5-322. See Tenn. Comp. R. & Regs. 0780-01-82-.11.

Tenn. Code Ann. § 4-5-322 provides in relevant part:

(a)(1) A person who is aggrieved by a final decision in a contested case is entitled to judicial review under this chapter, which shall be the only available method of judicial review.

* * * * *

(b)(1)(A) Proceedings for review are instituted by filing a petition for review in the chancery court of Davidson County, unless another court is specified by statute. Such petition shall be filed within sixty (60) days after the entry of the agency's final order thereon.

(2) In a case in which a petition for judicial review is submitted within the sixty-day period but is filed with an inappropriate court, the case shall be transferred to the appropriate court. The time for filing a petition for review in a court as provided in this chapter shall not be extended because of the period of time allotted for filing with the agency a petition for reconsideration. Copies of the petition shall be served upon the agency and all parties of record, including the attorney general and reporter, in accordance with the provisions of the Tennessee Rules of Civil Procedure pertaining to service of process.

(c) The filing of the petition for review does not itself stay enforcement of the agency decision. The agency may grant, or the reviewing court may order, a stay upon appropriate terms, but if it is shown to the satisfaction of the reviewing court, in a hearing that shall be held within ten (10) days of a request for hearing by either party, that any party or the public at large may suffer injury by reason of the granting of a stay, then no stay shall be granted until a good and sufficient bond, in an amount fixed and approved by the court, shall be given by the petitioner conditioned to indemnify the other persons who might be so injured and if no bond amount is sufficient, the stay shall be denied. The reviewing court shall not consider a stay unless notice has been given to the attorney general and reporter; nor shall the reviewing court consider a stay unless the petitioner has previously sought a stay from the agency or demonstrates that an agency ruling on a stay application cannot be obtained within a reasonable time.
