I do believe that all of this is past him. He is a dedicated employee. He does an excellent job. And I think one thing on his record that was incorrect and he was not even aware of until we did the background check is it showed one of the 23 DUIs was a felony DUI, and that was not the case. As a matter of fact, he spent quite a bit of time going back to the courts and getting that cleared. And that's what one of those letters are that we we showed. It was not a felony DUI. It was recorded improperly. But I do I do stand beside him. He is a great employee. And his character has not shown in the past six months that I've known him or eight months that I've known him anything of of his past. MS. VEST: Sir, what happened to the 2006 robbery? MR.
