 5
    it's still -- I'm not saying that that's not
                                                       5
                                                           next, if it's okay with the Commission, we have
6
    something that we could get past.
                                                       6
                                                           the education -- I'm going to skip that right
7
                                                       7
              But it easily, as these have gone on,
                                                           now. Because we're going to go straight down
8
    and there are even more recent charges, it's
                                                       8
                                                           to a presentation.

So they have a name change.  And I just want everybody to be aware of that, to go on the course list under both names in case we get certificates under each name.  ACTING CHAIRMAN COCKROFT: That's right.  So is that all of the MR. FRAKER: We need a motion on his,	
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	ACTING CHAIRMAN COCKROFT: And then the Security Solutions, the gun fire detection, they actually just submitted that for continuing education  MS. VEST: Only. Yes, sir.  ACTING CHAIRMAN COCKROFT: And  Trendnet and Vanco, I didn't did I have the Slayton Solutions? I didn't have those, did I?  MS. VEST: No, sir, that's not you.  ACTING CHAIRMAN COCKROFT: Okay.  Is that all I had the Securities  Solutions?  MS. VEST: Yes. You had Security  Solutions, animal safe zone, Trendnet and Vanco, V-A-N-C-O, it was all for one hour of continuing education.
