Notes to Financial Statement

Unison Health Plan of Tennessee, Inc., (the Company) has noted no significant changes since prior year-end for Notes 1. B. through 17. B., 18 through 23 and 25 through 30 for the quarter ended March 31, 2009.

1. Summary of Significant Accounting Policies:

- A. The accompanying statement has been prepared in conformity with the NAIC *Accounting Practices and Procedures Manual* except to the extent that state law differs or where NAIC statutory accounting practices and procedures do not address the accounting for the transaction.
- (1) Supplemental Report #2A, TennCare Operations Statement of Revenue and Expenses, which is filed separately from the bound annual statement, has been prepared in accordance with instructions from TennCare. These instructions require that we report only TennCare business activity and exclude Medicare Advantage and all other lines of business. Additionally, these instructions differ from statutory accounting practices in that income and expenses related to claims, losses, premiums, and other amounts received or paid on behalf of the ASO operations are treated as expenses and revenues of the Company. The Statement of Revenue and Expenses included in this statement includes all lines of business and was prepared according to the Statement of Statutory Accounting Principles (SSAP) No. 47 Uninsured Plans, which excludes all income and expenses related to claims, losses, premiums, and other amounts received or paid on behalf of ASO plans. Amounts received from TennCare to administer the ASO plan are reported as a reduction to administrative expenses.
- (2) In a letter to the Company dated January 4, 2008, the State of Tennessee, Department of Commerce and Insurance, TennCare Division, communicated its position that Health Maintenance Organizations (HMOs) can obtain stop loss policies but, since they are not insurance companies, HMOs cannot enter into reinsurance agreements. This letter also instructed a prescribed practice for the presentation of stop loss premium expenses on the Statement of Revenues and Expenses whereby stop loss type premium expense is reported on Line 17, Net Reinsurance Recoveries. In a letter dated February 26, 2008, the Company received approval for an exception to the prescribed practice noted above which allows the Company to report premium paid for coverage under a stop loss type agreement as a reduction to premium on Line 2, Net Premium Income of the Statement of Revenues and Expenses. The Company's policy is a stop loss policy rather than reinsurance. The Company has reported the stop loss premium expenses in accordance with the exception provided in the February 26, 2008 letter.

17. Sale, Transfer and Servicing of Financial Assets and Extinguishment of Liabilities:

- C. The Company has no wash sales.

24. Changes in Incurred Claims and Claims Adjustment Expense:

- A. The Company records a liability for claims, which are expected to be paid after the end of the reporting period, for services provided to members during the period. These accruals are continually monitored and reviewed and, as settlements are made or accruals adjusted, differences will be reflected in current operations. At March 31, 2009, the liability for incurred but not reported claims was adjusted for amounts remaining related to prior year claims in excess of estimated remaining liabilities for those years. The adjustment recorded in 2009 for excess amounts remaining related to dates of service in 2008 and prior is \$0. This reduction is reflected in current operations in the Statement of Revenue and Expenses, Line 1402, Prior Period IBNR Adjustment.
