**NOTES TO STATUTORY BASIS FINANCIAL STATEMENTS
AS OF AND FOR THE QUARTER ENDED MARCH 31, 2010**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Accounting Practices

The Company prepares its financial statements on the basis of accounting practices prescribed or permitted by the IDOI. These practices differ from accounting principles generally accepted in the United States of America (GAAP) as certain assets, including certain aged premium and healthcare receivables, are considered nonadmitted assets for statutory purposes and are excluded from the statutory basis statements of admitted assets, liabilities, and capital and surplus.

The IDOI recognizes only statutory accounting practices prescribed or permitted by the state of Illinois for determining and reporting the financial condition and results of operations of an HMO and for determining its solvency under Illinois insurance law. The National Association of Insurance Commissioners' (NAIC) Accounting Practices and Procedures manual (NAIC SAP) has been adopted with modifications as a component of prescribed or permitted practices by the State of Illinois. No significant differences exist between prescribed or permitted practices by the State of Illinois and NAIC SAP which would materially affect the statutory basis capital and surplus.

B. Use of Estimates in the Preparation of the Financial Statements — These statutory basis financial statements include certain amounts that are based on the Company's estimates and judgments. These estimates require the Company to apply complex assumptions and judgments, often because the Company must make estimates about the effects of matters that are inherently uncertain and will change in subsequent periods. The most significant estimates relate to hospital and medical expenses, claims unpaid, and aggregate health reserves and aggregate health claim reserves (collectively known as "aggregate health reserves"). The Company adjusts these estimates each period as more current information becomes available. The impact of any changes in estimates is included in the determination of income in the period in which the estimate is adjusted.

C. Accounting Policies

In addition, the Company uses the following accounting policies.

1. Short term investments are stated at amortized cost.
2. Bonds are stated at amortized cost.
3. The Company has no investments in common stocks.
4. The Company has no investments in preferred stocks.
5. The company has no investments in mortgage loans on real estate.
6. Loan-backed securities are generally carried at amortized cost or, if rated NAIC 3 or lower, at the lower of the cost or fair value. Amortization is calculated using the retrospective method.
7. The Company has no investments in subsidiaries, controlled or affiliated companies.
8. The Company has no investment in partnerships, joint ventures or limited liability companies.
9. The Company has no investments in derivative financial instruments.
10. The Company anticipates investment income in the premium deficiency reserve calculation, in accordance with SSAP No. 54.
11. Unpaid losses and loss adjustment expenses include amounts, based on past experience, for losses incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liability are continually reviewed and any adjustments are reflected in the current period.
12. The Company has not modified its capitalization policy from the prior period.

13. Pharmaceutical rebates receivables consist of reasonable estimated amounts and billed amounts. Both the billed amounts and the estimated amount are admitted assets subject to the following conditions: The estimated amounts are related solely to the actual prescriptions filled during the three months immediately preceding the reporting date; Billed amounts represent pharmaceutical rebate receivables that have been invoiced or confirmed in writing but not collected as of the reporting date and are invoiced within two months following the reporting date. Rebates that have been collected within 90 days of the invoiced date are non-admitted assets.

Aggregate Intent & Ability				

The Company did not recognize any other-than-temporary impairments on mortgage-backed securities due to an inability or lack of intent to retain the investment in the security for a period of time sufficient to recover the amortized cost basis, or where the present value of cash flows expected to be collected is less than the amortized cost basis of the security, as of March 31, 2010.

Please note that all impairments were marked down to fair value. No impairment was bifurcated between Realized Losses and Unrealized Losses.

The Company believes that it will collect all principal and interest due on all investments that have an amortized cost in excess of fair value. A-D,F.

Pursuant to the terms of a management agreement, UHS-RV will provide management services to the Company, until terminated upon the written agreement of both parties, for a fee based on a percentage of net premium income and change in unearned premium reserves. Management fees under this agreement are included in general administrative expenses and claims adjustment expenses in the accompanying statutory basis statements of operations. In addition, UHS-RV pays, on the Company's behalf, certain expenses not covered within the scope of the management agreement. UHS-RV is reimbursed for these expenses by the Company.

The Company believes that its transactions with affiliates are reasonable and appropriate; however, operations of the Company may not be indicative of those that would have occurred if it had operated as an independent company.

OPTUM provides a 24-hour call-in service, called Care 24, United Resource Network provides access to a network of transplant providers, ACN Group provides chiropractic and physical therapy services, Spectera Inc., provides administrative services related to vision benefit management and claims processing, and Dental Benefit Providers, Inc., provides dental care assistance. The capitation is calculated on a per member per month basis.

The capitation expenses, paid to related parties, that are included as hospital and medical expenses in the accompanying statutory basis statements of operations for the reporting period, are shown below (in thousands):

	Q1 2010
United Behavioral Health	\$ 2,146
OPTUM	787

Both premiums and claims applicable to the Company are settled at regular intervals throughout the month via the intercompany settlement process and any amounts outstanding are reflected in receivables from parent, subsidiaries, and affiliates, or amounts due to parent, subsidiaries, and affiliates in the accompanying statutory basis statements of admitted assets, liabilities and capital and surplus.

The Company contracts with Rx Solutions to provide administrative services related to pharmacy management and claims processing for its enrollees. Fees related to these agreements, which are calculated on a per-claim basis, of approximately \$971,000, are included in claims adjustment expenses in the accompanying statutory basis statements of operations. Additionally, Rx Solutions collects rebates on certain pharmaceutical products based on member utilization. Rebates related to these agreements of approximately \$308,000 are included as a reduction of prescription drugs in the accompanying statutory basis statements of operations.

The Company has an insolvency-only reinsurance agreement with United Healthcare Insurance Company (UHIC), a wholly owned subsidiary of UHIC Holdings, Inc. which is a wholly owned subsidiary of UHS, to provide insolvency protection for its enrollees. Reinsurance premiums, which are calculated on a percentage of member premium income, of approximately \$644,000 are netted against net premium income in the accompanying statutory basis statements of operations. Reinsurance contracts do not relieve the Company from its obligations to policyholders. Failure of reinsurers to honor their obligations could result in losses to the Plan.

The Company holds a \$10,000,000 subordinated revolving credit agreement with UnitedHealth Group at an interest rate of LIBOR plus a margin of 0.50%. The aggregate principal amount that may be outstanding at any time is the lesser of 3% of the Company's admitted assets or 25% of the Company's policyholder surplus as of the preceding December 31. The Company records liabilities for estimates of probable costs resulting from these matters. These matters include, but are not limited to, claims relating to health care benefits coverage, medical malpractice actions, contract disputes, and claims related to disclosure of certain business practices. Although the outcomes of any such legal actions cannot be predicted, in the opinion of management, the resolution of any currently pending or threatened actions will not have a material adverse effect on the accompanying statutory basis statements of admitted assets, liabilities, and capital and surplus or statutory basis statements of operations of the Company.

D. The Company believes there are no assets that it considers to be impaired as of the end of the reporting period, except as disclosed in Note 5 and Note 20.

22. REINSURANCE

Ceded Reinsurance Report —

Section 1 — General Interrogatories

a. Are any non-affiliated reinsurers owned in excess of 10% or controlled, either directly or indirectly, by the Company or by any representative, officer, trustee, or director of the Company?

Yes () No (X)

b. Have any policies issued by the Company been reinsured with a company chartered in a country other than the United States (excluding U.S. branches of such companies) that is owned in excess of 10% or controlled directly or indirectly by an insured, a beneficiary, a creditor, or any other person not primarily engaged in the insurance business?

Yes () No (X)

Section 2 — Ceded Reinsurance — Part A

1. Does the Company have any reinsurance agreements in effect under which the reinsurer may unilaterally cancel any reinsurance for reasons other than for nonpayment of premium or other similar credit?

Yes () No (X)

2. Does the reporting entity have any reinsurance agreements in effect that the amount of losses paid or accrued through the statement date may result in a payment to the reinsurer of amounts that, in aggregate and allowing for offset of mutual credits from other reinsurance agreements with the same reinsurer, exceed the total direct premium collected under the reinsured policies?

Yes () No (X)

Section 3 — Ceded Reinsurance — Part B

1. What is the estimated amount of the aggregate reduction in surplus (for agreements other than those under which the reinsurer may unilaterally cancel for reasons other than for nonpayment of premium or other similar credits that are reflected in Section 2 above) of termination of all reinsurance agreements, by either party, as of the date of this statement? Where necessary, the Company may consider the current or anticipated experience of the business reinsured in making this estimate.

The Company estimates there should be no aggregate reduction in surplus for termination of all reinsurance agreements as of the end of the reporting period.

2. Have any new agreements been executed or existing agreements amended, since January 1 of the year of this statement, to include policies or contracts that were in force or which had existing reserves established by the Company as of the effective date of the agreement?

Yes () No (X)

During the year, the Company contracted with the federal government through the Office of Personnel Management to administer the Federal Employees Health Benefit Program FEHBP. The Company is subject to rate adjustments through audits by the Office of Personnel Management.

Estimated accrued retrospective premiums due to the Company are recorded in premiums and considerations or aggregate health policy reserves on the statutory basis statements of admitted assets, liabilities, and capital and surplus and as an adjustment to change in unearned premium reserves or net premium income on the statutory basis statements of operations.

The Company does not have any other retrospectively rated contracts or contracts subject to redetermination as of the end of the reporting period.

The primary drivers consist of favorable development as a result of ongoing analysis of loss development trends, changes to the provider settlement reserves, and changes in the statutory basis statement of admitted assets, liabilities and capital and surplus accruals of provider withhold.

25. INTERCOMPANY POOLING ARRANGEMENTS

The Company did not have any intercompany pooling arrangements during the reporting period.

26. STRUCTURED SETTLEMENTS

The Company also has a contract with an unaffiliated pharmacy benefits manager for a small portion of pharmacy rebates. However, the rebate balance represented from this unaffiliated pharmacy benefits manager is not included in the table and is considered immaterial and a non-admitted asset.

B. RISK SHARING RECEIVABLES: N/A

28. PARTICIPATING POLICIES

The Company did not have any participating contracts during the reporting period.
