Relevant Comments			<input type="checkbox"/> Revised Wording	
<input type="checkbox"/> The Actuarial Memorandum include "Deviation from Standard" wording regarding conformity with an Actuarial Standard of Practice				

I, Timothy J. Feeser, Vice President, Actuarial Consulting, am associated with the firm of Ingenix Consulting. I am a member of the American Academy of Actuaries and have been retained by UnitedHealthcare Plan of the River Valley, Inc. to render an opinion with regard to loss reserves, actuarial liabilities and related items. I was appointed on November 16, 2009 in accordance with the requirements of the annual statement instructions. I meet the Academy qualification standards for rendering the opinion.

I have examined the assumptions and methods used in determining loss reserves, actuarial liabilities and related items listed below, as shown in the annual statement of the organization as prepared for filing with state regulatory officials, as of December 31, 2010.

A. Claims unpaid (Page 3, Line 1);	\$391,682,979
B. Accrued medical incentive pool and bonus payments (Page 3, Line 2);	\$1,952,960
C. Unpaid claims adjustment expenses (Page 3, Line 3);	\$9,688,381
D. Aggregate health policy reserves (Page 3, Line 4) including unearned premium reserves, premium deficiency reserves, and additional policy reserves from the Underwriting and Investment Exhibit – Part 2D;	\$5,995,201
E. Aggregate life policy reserves (Page 3, Line 5);	\$0
F. Property/casualty unearned premium reserves (Page 3, Line 6);	\$0
G. Aggregate health claim reserves (Page 3, Line 7); and	\$6,922
H. Any other loss reserves, actuarial liabilities, or related items presented as liabilities in the annual statement; and	Not applicable
I. Specified actuarial items presented as assets in the annual statement, as follows:	
1. Uncollected premiums (subset of Page 2, Line 15.1)	\$14,580,358

**ANNUAL STATEMENT FOR THE YEAR 2010
UNITEDHEALTHCARE PLAN OF THE RIVER VALLEY, INC.
STATEMENT OF ACTUARIAL OPINION**

2. Accrued retrospective premiums (Page 2, Line 15.3)	\$1,651,803
3. Healthcare and other amounts receivable (subset of Page 2, Line 24)	\$7,600,639

In forming my opinion on items A through I above, I relied upon data prepared by Nyle Brent Cottingham, Vice President and Regulatory Controller, UnitedHealthcare Services, Inc., as certified in the attached statements. I evaluated that data for reasonableness and consistency. I also reconciled that data to the Underwriting and Investment Exhibit - Part 2B of the company's current annual statement. In other respects, my examination included review of the actuarial assumptions and actuarial methods used and tests of the calculations I considered necessary.

In my opinion, the amounts carried in the balance sheet on account of the items identified above:

- A. Are in accordance with accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles,
- B. Are based on actuarial assumptions relevant to contract provisions and appropriate to the purpose for which the statement was prepared,
- C. Meet the requirements of the Insurance Laws and regulations of the state of Illinois; and are at least as great as the minimum aggregate amounts required by the state in which this statement is filed,
- D. Make good and sufficient provision for all unpaid claims and other actuarial liabilities of the organization under the terms of its contracts and agreements,
- E. Are computed on the basis of assumptions and methods consistent with those used in computing the corresponding items in the annual statement of the preceding year end,
- F. Include appropriate provision for all actuarial items that ought to be established.

The Underwriting and Investment Exhibit – Part 2B was reviewed for reasonableness and consistency with the applicable Actuarial Standards of Practice.

Actuarial methods, considerations, and analyses used in forming my opinion conform to the relevant Standards of Practice as promulgated from time to time by the Actuarial Standards Board, which standards form the basis of this statement of opinion.

February 14, 2011

I, Nyle Brent Cottington, am employed by United HealthCare Services, Inc. as Vice President and Regulatory Controller. I hereby affirm that the listings, summaries, and analyses relating to reconciliation of the organization's annual statement to its general ledger, prepared for and submitted to Timothy J. Feeser in support of his actuarial opinion for UnitedHealthcare Plan of the River Valley, Inc. as of December 31, 2010, were prepared under my direction and, to the best of my knowledge and belief, are substantially accurate and complete and the same as, or derived from, the records and other data which form the basis of the annual statement for the year ended December 31, 2010.

Nyle Brent Cottington

STATEMENT OF ACTUARIAL OPINION

Statutory Quarterly Statement of United Healthcare Plan of the River Valley, Inc.

Medicaid Risk Business in Eastern Tennessee, Long Term Care

As of and for the Period Ended December 31, 2010

I, Jed L. Linfield, am a Member of the American Academy of Actuaries (Academy) and Director of Actuarial Reserving Services for United Healthcare Plan of the River Valley, Inc.'s Medicaid plans. I meet the Academy qualification standards for rendering this statement of actuarial opinion.

This statement is for United Healthcare Plan of the River Valley, Inc.'s Medicaid Long Term Care risk business in Eastern Tennessee, which had approximately 5,800 members in December 2010. This business became effective August 1, 2010.

I have examined the actuarial assumptions and methods used in determining the loss reserves listed below, as prepared for filing with regulatory officials as of December 31, 2010.

I have determined that the appropriate level for claims liability for this block of business is \$26,631,619.

Note that in the annual statement, both Medicaid and non-Medicaid businesses are combined.

My examination included such review of the actuarial assumptions and actuarial methods and of the underlying basic liability records and such tests of the actuarial calculations as I considered necessary.

In my opinion the amounts carried in the balance sheet on account of the actuarial items identified above:

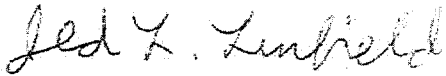

- a) Are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles;
- b) Are based on actuarial assumptions which are in accordance with or stronger than those called for in related contract provisions and are appropriate for the purpose for which the statement was prepared;
- c) Meet the requirements of the laws of the State of Tennessee;
- d) Make good and sufficient provision for all unpaid claims and other actuarial liabilities of the organization guaranteed under the terms of its contracts and agreements;
- e) Are computed on the basis of actuarial assumptions and methods consistent in all material respects with those used in computing the corresponding items in the annual statement of the preceding year-end; and

- f) Include provision, in the aggregate, for all actuarial reserves and related statement items which ought to be established.

The actuarial methods, considerations and analyses used in forming my opinion conform to the appropriate Standards of Practice as promulgated from time to time by the Actuarial Standards Board, whose standards form the basis of this statement of opinion.

This statement has been prepared for inclusion with United Healthcare Plan of the River Valley, Inc.'s statutory quarterly statement for filing with regulatory authorities of the State of Tennessee and is intended for no other purpose.

STATEMENT OF ACTUARIAL OPINION

Statutory Quarterly Statement of United Healthcare Plan of the River Valley, Inc.

Medicaid Risk Business in Eastern Tennessee, Excluding Long Term Care

As of and for the Period Ended December 31, 2010

I, Jed L. Linfield, am a Member of the American Academy of Actuaries (Academy) and Director of Actuarial Reserving Services for United Healthcare Plan of the River Valley, Inc.'s Medicaid plans. I meet the Academy qualification standards for rendering this statement of actuarial opinion.

This statement is for United Healthcare Plan of the River Valley, Inc.'s Medicaid risk business in Eastern Tennessee, which had approximately 184,000 members in December 2010. This business became effective January 1, 2009.

I have examined the actuarial assumptions and methods used in determining the loss reserves listed below, as prepared for filing with regulatory officials as of December 31, 2010.

I have determined that the appropriate level for claims liability for this block of business is \$64,572,494.

Note that in the annual statement, both Medicaid and non-Medicaid businesses are combined.

My examination included such review of the actuarial assumptions and actuarial methods and of the underlying basic liability records and such tests of the actuarial calculations as I considered necessary.

In my opinion the amounts carried in the balance sheet on account of the actuarial items identified above:

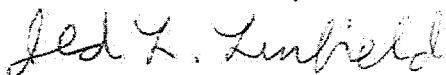

- a) Are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles;
- b) Are based on actuarial assumptions which are in accordance with or stronger than those called for in related contract provisions and are appropriate for the purpose for which the statement was prepared;

STATEMENT OF ACTUARIAL OPINION

Statutory Quarterly Statement of United Healthcare Plan of the River Valley, Inc.

Medicaid Risk Business in Middle Tennessee, Long Term Care

As of and for the Period Ended December 31, 2010

I, Jed L. Linfield, am a Member of the American Academy of Actuaries (Academy) and Director of Actuarial Reserving Services for United Healthcare Plan of the River Valley, Inc.'s Medicaid plans. I meet the Academy qualification standards for rendering this statement of actuarial opinion.

This statement is for United Healthcare Plan of the River Valley, Inc.'s Medicaid Long Term Care risk business in Middle Tennessee, which had approximately 5,000 members in December 2010. This business became effective March 1, 2010.

I have examined the actuarial assumptions and methods used in determining the loss reserves listed below, as prepared for filing with regulatory officials as of December 31, 2010.

I have determined that the appropriate level for claims liability for this block of business is \$30,892,984.

Note that in the annual statement, both Medicaid and non-Medicaid businesses are combined.

My examination included such review of the actuarial assumptions and actuarial methods and of the underlying basic liability records and such tests of the actuarial calculations as I considered necessary.

In my opinion the amounts carried in the balance sheet on account of the actuarial items identified above:

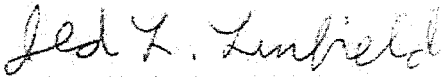

- a) Are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles;
- b) Are based on actuarial assumptions which are in accordance with or stronger than those called for in related contract provisions and are appropriate for the purpose for which the statement was prepared;
- c) Meet the requirements of the laws of the State of Tennessee;
- d) Make good and sufficient provision for all unpaid claims and other actuarial liabilities of the organization guaranteed under the terms of its contracts and agreements;
- e) Are computed on the basis of actuarial assumptions and methods consistent in all material respects with those used in computing the corresponding items in the annual statement of the preceding year-end; and

- f) Include provision, in the aggregate, for all actuarial reserves and related statement items which ought to be established.

The actuarial methods, considerations and analyses used in forming my opinion conform to the appropriate Standards of Practice as promulgated from time to time by the Actuarial Standards Board, whose standards form the basis of this statement of opinion.

This statement has been prepared for inclusion with United Healthcare Plan of the River Valley, Inc.'s statutory quarterly statement for filing with regulatory authorities of the State of Tennessee and is intended for no other purpose.

STATEMENT OF ACTUARIAL OPINION

Statutory Quarterly Statement of United Healthcare Plan of the River Valley, Inc.

Medicaid Risk Business in Western Tennessee, Long Term Care

As of and for the Period Ended December 31, 2010

I, Jed L. Linfield, am a Member of the American Academy of Actuaries (Academy) and Director of Actuarial Reserving Services for United Healthcare Plan of the River Valley, Inc.'s Medicaid plans. I meet the Academy qualification standards for rendering this statement of actuarial opinion.

This statement is for United Healthcare Plan of the River Valley, Inc.'s Medicaid Long Term Care risk business in Western Tennessee, which had approximately 4,100 members in December 2010. This business became effective August 1, 2010.

I have examined the actuarial assumptions and methods used in determining the loss reserves listed below, as prepared for filing with regulatory officials as of December 31, 2010.

I have determined that the appropriate level for claims liability for this block of business is \$23,937,825.

Note that in the annual statement, both Medicaid and non-Medicaid businesses are combined.

My examination included such review of the actuarial assumptions and actuarial methods and of the underlying basic liability records and such tests of the actuarial calculations as I considered necessary.

In my opinion the amounts carried in the balance sheet on account of the actuarial items identified above:

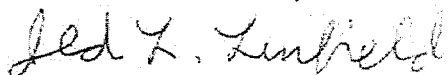

- a) Are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles;
- b) Are based on actuarial assumptions which are in accordance with or stronger than those called for in related contract provisions and are appropriate for the purpose for which the statement was prepared;
- c) Meet the requirements of the laws of the State of Tennessee;
- d) Make good and sufficient provision for all unpaid claims and other actuarial liabilities of the organization guaranteed under the terms of its contracts and agreements;
- e) Are computed on the basis of actuarial assumptions and methods consistent in all material respects with those used in computing the corresponding items in the annual statement of the preceding year-end; and

- f) Include provision, in the aggregate, for all actuarial reserves and related statement items which ought to be established.

The actuarial methods, considerations and analyses used in forming my opinion conform to the appropriate Standards of Practice as promulgated from time to time by the Actuarial Standards Board, whose standards form the basis of this statement of opinion.

This statement has been prepared for inclusion with United Healthcare Plan of the River Valley, Inc.'s statutory quarterly statement for filing with regulatory authorities of the State of Tennessee and is intended for no other purpose.

STATEMENT OF ACTUARIAL OPINION

Statutory Quarterly Statement of United Healthcare Plan of the River Valley, Inc.

Medicaid Risk Business in Western Tennessee, Excluding Long Term Care

As of and for the Period Ended December 31, 2010

I, Jed L. Linfield, am a Member of the American Academy of Actuaries (Academy) and Director of Actuarial Reserving Services for United Healthcare Plan of the River Valley, Inc.'s Medicaid plans. I meet the Academy qualification standards for rendering this statement of actuarial opinion.

This statement is for United Healthcare Plan of the River Valley, Inc.'s Medicaid risk business in Western Tennessee, which had approximately 167,000 members in December 2010. This business became effective November 1, 2008.

I have examined the actuarial assumptions and methods used in determining the loss reserves listed below, as prepared for filing with regulatory officials as of December 31, 2010.

I have determined that the appropriate level for claims liability for this block of business is \$55,091,637.

Note that in the annual statement, both Medicaid and non-Medicaid businesses are combined.

My examination included such review of the actuarial assumptions and actuarial methods and of the underlying basic liability records and such tests of the actuarial calculations as I considered necessary.

In my opinion the amounts carried in the balance sheet on account of the actuarial items identified above:

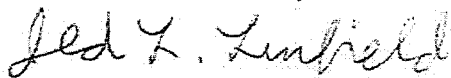

- a) Are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles;
- b) Are based on actuarial assumptions which are in accordance with or stronger than those called for in related contract provisions and are appropriate for the purpose for which the statement was prepared;
- c) Meet the requirements of the laws of the State of Tennessee;
- d) Make good and sufficient provision for all unpaid claims and other actuarial liabilities of the organization guaranteed under the terms of its contracts and agreements;
- e) Are computed on the basis of actuarial assumptions and methods consistent in all material respects with those used in computing the corresponding items in the annual statement of the preceding year-end; and

- f) Include provision, in the aggregate, for all actuarial reserves and related statement items which ought to be established.

The actuarial methods, considerations and analyses used in forming my opinion conform to the appropriate Standards of Practice as promulgated from time to time by the Actuarial Standards Board, whose standards form the basis of this statement of opinion.

This statement has been prepared for inclusion with United Healthcare Plan of the River Valley, Inc.'s statutory quarterly statement for filing with regulatory authorities of the State of Tennessee and is intended for no other purpose.
