

**THE SAFE AND  
TOGETHER MODEL  
BRIEFING:**  
A DOMESTIC VIOLENCE-  
INFORMED APPROACH  
TO CHILDREN AND  
DOMESTIC VIOLENCE

This one-hour virtual training introduces the Safe & Together™ Model. Participants will learn about a perpetrator pattern framework, the Safe & Together Model's principles and components, and how the model is used to enhance domestic violence-informed practice for child welfare professionals. Attendees will also receive information about additional Safe & Together training opportunities.

Audience: DCS, partners, court and foster parents are encouraged to attend.
