The corporal punishment reporting requirement in statute requires the Department to report on our website the following information:

- The number of instances of corporal punishment in each LEA, and
- The number of instances involving a student with an active individualized education program or an active 504 plan under Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. S 794).

In addition:

• List the LEAs who did not submit information about corporal punishment.

Summary of Data Submission in 2018-19 school year	Number of LEAs
Did not submit corporal punishment data	54
Responded to the request for data	93
Policy does not permit the use of corporal punishment	31
Policy permits use of corporal punishment, but they did not record any instances	22
Submitted corporal punishment trackers	40

Of the 40 LEAs who submitted trackers recording instances of corporal punishment, the number of instances of corporal punishment submitted per LEA ranged from 1 to 384. The median number of instances was 25 and the total number of instances reported was 2,537. Of those 2,537 instances, 420 instances involved a student with an IEP or 504 plan, 17 percent of the total.

Of those submitting reports, nearly 2 in 3 LEAs submitted fewer than 25 recorded instances of corporal punishment; 3 districts were outliers with more than 350 instances reported.

Of those LEAs submitting, over 2 in 3 reported 6 or fewer instances of corporal punishment that involved students with IEPs or 504 plans. 4 LEAs reported more than 40 such instances.

31 LEAs reported that their discipline policy does not permit the use of corporal punishment:
