

Welcome Tennessee Public Reviewers!

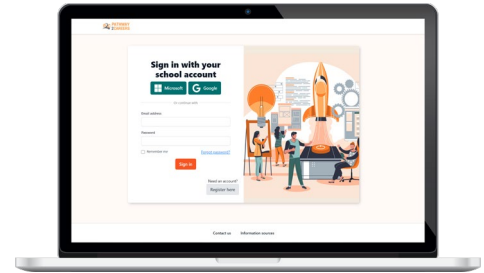

NS4ed is excited to provide you the opportunity to share our Pathway2Careers Math Curriculum with your students! Through this demo account, you will explore our courses through the lens of a fictitious student, Kelton Hayes.

Review:

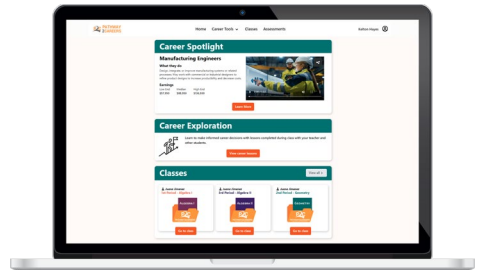

Reviewing the Pathway2Careers Math Curriculum is as easy as 1, 2, 3!

1

Select a Class

As Kelton, you are enrolled in 3 classes: Algebra I, Algebra II, and Geometry. Click “Go to class” to begin your review.

Note: Kelton also has access to our free Career Exploration tools. Feel free to explore!

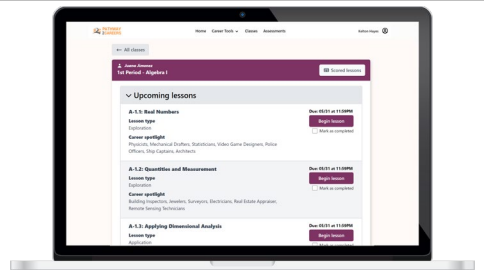

2

Select a Lesson

Browse the Upcoming Lessons and click “Begin lesson” to review a lesson of your choice.

Note: Pathway2Careers has 2 types of lessons: Exploration and Application. Be sure to check out both types of lessons to see how careers are connected in different ways!

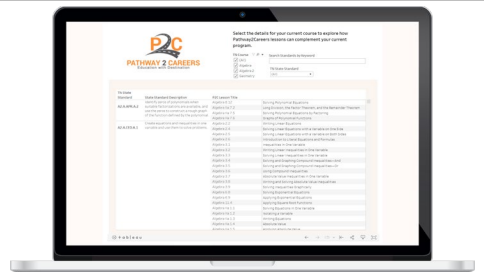

3

Connect the Standards

The [Pathway2Careers TN Standards Crosswalk](#) aligns the Pathway2Careers Math Curriculum to the Tennessee State Standards.

Note: This tool is accessible in Pathway2Careers via teacher accounts.

Thank you!

We appreciate you taking the time to review the Pathway2Careers Math Curriculum!
