Building ID Break Down

Stand-alone building

19000001

| County Code | Campus Number | Sequential Number |

Campus building

19010001

| County Code | Campus Number | Sequential Number |
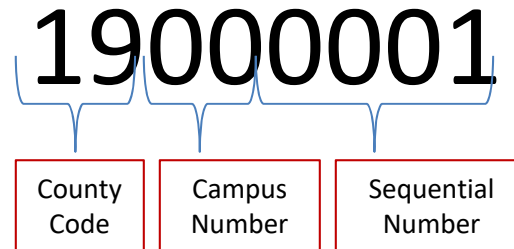

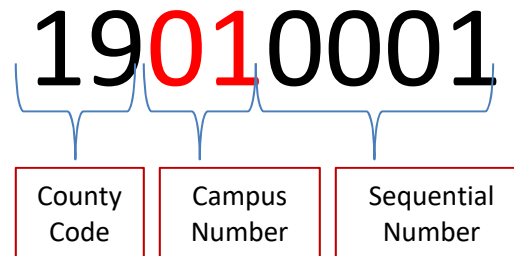

Building ID's have three components: A) County Code, B) Campus Number, C) Sequential Number. A campus number is used identify a group of buildings that share the same geographic location. The campus example above indicates a single building on the Ellington Agricultural Center, the first campus identified in Davidson County.
