Resource Conservation and Recovery Act (RCRA) Permit Renewal
TND007024664, TNHW-158
Velsicol Chemical LLC – Memphis Facility
1199 Warford Street
Memphis, Tennessee 38108

Representatives from Velsicol Chemical LLC will host a meeting to discuss plans to renew and update the current RCRA Permit with the State of Tennessee.

Velsicol manages the corrective action of facility solid waste management units (SWMUs) and one area of concern (AOC) under a RCRA permit issued in 2014 by the Tennessee Department of Environment and Conservation (TDEC), which is due for renewal in 2024.

The purpose of the pre-application meeting is to inform the community of the proposed permit renewal and to solicit input from the community.

The pre-application meeting is scheduled for Thursday, March 21, 2024, from 6:00 to 7:00 p.m. The meeting will be held at the Hollywood Community Center located at 1560 North Hollywood Street Memphis, Tennessee 38108. If you have questions about the meeting, we encourage you to contact George Harvell at (901) 323-6180 or at the address listed above at least 72 hours before the meeting.
