

2022 State Of Education In Tennessee

SCORE invites you to join us and education policy leaders from across the state for the release of our annual report, ***The State Of Education In Tennessee***. This event will set out our 2022 priorities for K-12 and higher education in Tennessee with a strong focus on identifying the policies that will help advance student success in college, career, and life.

We hope to see you in person Wednesday, December 15, 2021, at our event at the Tennessee State Museum in Nashville. Together we will explore how Tennessee can seize this moment and ensure bright futures for our students. Seating is limited, and we encourage you to register soon to reserve a space.
