Capitol Jam VIII
Tuesday, February 22, 2022

We hope you'll be able to attend the eighth annual **Capitol Jam VIII** legislative reception on **Tuesday, February 22, 2022.**

JohnsonPossKirby and Tennessee Performing Arts Center (TPAC) set the stage of the historic War Memorial Auditorium for members, staff, and others to put on a great musical show for the General Assembly.

This evening is always a great time to speak with legislators, have fun, and show your support for TPAC and its mission to enrich lives and promote economic vitality through meaningful and relevant experiences in the arts.

Thank you to TPAC Board Member Nathan Poss for all he does to make this night a success.

RSVP is not required but encouraged by contacting ksheft@tpac.org.
