

## Sent as an email

Dear TCCN Members,

Please plan to join us for TCCN's Hill Day on Wednesday, February 28<sup>th</sup> at the Cordell Hull Building. We'll meet up in Conference B on the 8<sup>th</sup> floor (take a left off the elevator) at 8:00 am. We'll have coffee, a light breakfast & fact sheets to share. TCCN has reserved Conference Room B from 8:00-10:30 am and we'll set up a table (probably outside of the new cafeteria on the 1<sup>st</sup> floor) where we can gather and connect after 10:30 am. Details on lunch plans will be forthcoming closer to the 28<sup>th</sup> but I hope that you'll plan to join us so we can share our experiences with each other.

Key Next Steps:

1. RSVP to this invitation - accept or decline so I know your plans. Please indicate the number in your party and whether the entire group can join us for lunch that day.
2. Make appointments with your representatives. I have attached a spreadsheet that lists each member's legislators. If you have any questions about how to contact them, this website is really helpful: <http://www.legislature.state.tn.us/>

If you need help scheduling your visits, please let me know. Remember, visits should be scheduled by February 21<sup>st</sup>.

Even if your program doesn't accept or receive Safety Net Funds, please make time to tell your representatives about the important services your team provides in their districts. Our legislators need to hear stories about the people that you serve in order to understand the tremendous difference your work makes in their constituents' lives. Help TCCN build this crucial awareness and understanding – be part of TCCN's Hill Day!

Looking forward to being with you for my first every Hill Day!

Best always,

Mary
