Dear County Commissioner, County Mayor, County Executive, County Highway Officials:

It is time for the Tennessee County Commissioners Association regional meetings! This is your opportunity to meet with fellow commissioners and talk about issues that concern you, which is especially helpful to newly elected members.

Parliamentary Procedure training will be offered at the meetings this year. New training requirements for newly elected county commissioners will also be discussed, including how members of the legislative bodies can complete those hours at association meetings and/or online.

If you plan to attend, please let your county mayor/executive know so that we can estimate attendance for catering purposes. RSVP to our office at tcca.information@gmail.com or call 615-532-3767 with the total number attending from your county. Please invite your members of the General Assembly and candidates for State Senate and House and Congress.

All the regional meetings are formatted the same, with registration at 5:30 p.m. local time. Dinner will begin at approximately 6:00 p.m., with training shortly thereafter. The meeting is expected to wrap up by 8:30 p.m. (Please note: if you cannot attend the meeting in your region, you are welcome to attend any other meeting that is convenient.)
