

TAADAS Annual Day on Capitol Hill

You're invited to take part in the
TAADAS' Annual Day on Capitol Hill Event.

Wednesday, February 7th
7:30 am—Noon

We will kick the event off with breakfast for our Legislative friends in the cafeteria of Legislative Plaza from 7:30—8:30 am. After breakfast, members are encouraged to make appointments with their legislators and then reconvene to be addressed by some key legislative officials in the Senate Chambers.

TAADAS Day on Capitol Hill provides an opportunity to learn about initiatives that may have an impact on the consumers as well as the profession of addiction services. It also provides an opportunity for TAADAS members to educate public policy makers about their concerns, particularly in the areas of practice, funding, education and research for addiction services in Tennessee.

The growing demand for addiction treatment services has surpassed present funding levels for those services. We would like to take this opportunity to share ideas with Legislators on how we can work together to improve this situation.

Remember... make your vote, and your visit on Capitol Hill count!

I hope that you will be able to take part in this important event.

This is a FREE event. However, please RSVP to Tammy Kelly, either via email at tammy@taadas.org or at 615.780.5901 ext 12, by Friday, February 2nd, if you plan to attend.
