**Dr. Arthur Laffer** is the founder and chairman of Laffer Associates. He has become known as “The Father of Supply-Side Economics” and is the founder of the Laffer Curve. Dr. Laffer was a member of President Reagan’s Economic Policy Advisory Board. He also advised Prime Minister Margaret Thatcher on fiscal policy in the United Kingdom during the 1980s. He received a B.A. in economics from Yale University, and his MBA and Ph.D. from Stanford University.
