RE: Crockett County Ethics Policy

To Whom It May Concern:

This letter is in regards to a recent request from Local Audit to research our ethics policy. We approved our policy in March 2007. I am not sure what happened or what it did not get forwarded to your office, but I am enclosing copies of the policy and also the vote and minutes for your records.

I am so sorry that it was not sent when it was approved and I hope that this meets your specifications. We used the one provided by CTAS. If you need further information, please feel free to contact our office.

Respectfully,

Michelle Spraggins  
Bookkeeper/Payroll Clerk
