A RESOLUTION CREATING A STANDING ETHICS COMMITTEE

2nd Reading

BE IT RESOLVED that a standing Ethics Committee be established by the White County Legislative Body to study new state legislation on ethics and local ethics issues including recommending to the White County Legislative Body Resolutions concerning Ethics in Local Government.

BE IT RESOLVED that said Committee incorporated into The Oversight Committee which is formally described in Section 18G of White County Legislative Body Rules and Procedures.

THEREFORE BE IT RESOLVED Section 18G First Paragraph or Section shall be deleted and replaced with the following language;
OVERSIGHT: The Oversight Committee shall be established to review the operations of this committee system to assure each committee is operating to fulfill the needs of this entire governing body and to assure that all areas of government are adequate guidance and review to study new state legislation on ethics and local ethics issues including recommending to the White County Legislative Body Resolutions concerning Ethics in Local Government.

The second paragraph or section shall remain as previously written.

Said Committee shall be Called "Oversight / Ethics Committee."

Resolution must be passed by The White County Legislative Body by 2/3 vote at each of two consecutive regular sessions.
