CODE OF ETHICS POLICY

Section 1. Definitions.

- (1) "Board of Commissioners" means the governing board of the utility district.
- (2) "Officials and employees" means and includes any official, whether elected or appointed, officer, employee or servant (whether compensated or not) of the utility district.
- (3) For the purpose of the disclosure of personal interests in accordance with this Code of Ethics, "personal interest" means a financial interest of the official or employee, or a financial interest of the official's or employee's spouse or child living in the same household, in the matter to be voted upon, regulated, supervised, or otherwise acted upon in an official capacity.

Section 2. Disclosure of personal interest in voting matters. An official or employee with the responsibility to vote on a measure shall disclose during the meeting at which the vote takes place, before the vote and to be included in the minutes, any personal interest that affects or that would lead a reasonable person to infer that it affects the official's or employee's vote on the measure. In addition, the official or employee may, to the extent allowed by law, recuse himself or herself from voting on the measure.

Section 3. Disclosure of personal interest in non-voting matters. An official or employee who must exercise discretion relative to any matter other than casting a vote and who has a personal interest in the matter that affects or that would lead a reasonable person to infer that it affects the exercise of the discretion shall disclose, before the exercise of the discretion when possible, the interest on the attached disclosure form and file the disclosure form with the Board of Commissioners. In addition, the official or employee may, to the extent allowed by law, recuse himself or herself from the exercise of discretion in the matter.

Section 4. Acceptance of gifts and other things of value. An official or employee, or an official's or employee's spouse or child living in the same household, may not accept, directly or indirectly, any gift, money, gratuity, or other consideration or favor of any kind from anyone other than the utility:

(2) That a reasonable person would understand was intended to influence the vote, official action or judgment of the official or employee in executing utility business.

Section 5. Ethics Complaints. Questions and complaints regarding violations of this Code of Ethics or of any violation of state law governing ethical conduct should be directed to the President of the Board of Commissioners of the utility district. If a question or complaint involves the President of the utility district's Board, the question or complaint should be directed to the Secretary of the Board of Commissioners. Complaints shall be in writing and signed by the person lodging the complaint and shall set forth in reasonable detail the facts upon which the complaint is based.

The President or Secretary of the Board of Commissioners shall direct the utility district's retained attorney to investigate any credible complaint against an official or employee charging any violation of this Code of Ethics and may request a legal opinion or recommendation for action. The utility district's attorney may request the Board of Commissioners to hire another attorney to conduct the investigation or to give a legal opinion or recommendation when he or she has or will have a conflict of interest on a particular complaint. The investigating attorney shall report the results of his or her investigation and any legal opinion or recommendation requested to the utility district's Board of Commissioners. If a member of the Board of Commissioners is the subject of a complaint, such member shall recuse himself or herself from all proceedings involving such a complaint. The Board of Commissioners may:

- (1) in the case of a member of the Board of Commissioners, publicly censure such member if the Board of Commissioners finds such action warranted;
- (2) in the case of a member of the Board of Commissioners, report the complaint and actions taken by the Board to the Utility Management Review Board;
- (3) in the case of an employee, refer the matter to the official responsible for supervision of the employee for possible disciplinary action if the official finds discipline warranted; or

The interpretation of reasonable person in the circumstances shall be used in interpreting and enforcing this Code of Ethics. When a violation of this Code of Ethics constitutes a violation of a utility district's personnel policy, the violation shall be dealt with as a violation of the personnel policy rather than as a violation of this Code of Ethics.
