ADVERTISEMENT FOR BIDS  
SEWER SYSTEM REHABILITATION  
LITTLE HURRICANE CREEK SEWER INSPECTION  
SHELBYVILLE POWER, WATER & SEWERAGE SYSTEM  
SHELBYVILLE, TENNESSEE

Shelbyville Power, Water & Sewerage System (Owner) is seeking solicitation for bids from CCTV contractors (Contractor) to perform work located within the Owner's sewer collection system in Bedford County, Tennessee. Separate sealed bids for the project will be received by Shelbyville Power, Water & Sewerage System at 308 South Main Street, Shelbyville, Tennessee 37160 until 2:00 p.m. Central Time, Thursday, June 6, 2024, at which time and place they will be publicly opened and read aloud. Mailed bids should be addressed to Jason Reese, General Manager at 308 S Main St. Shelbyville, Tennessee 37160, and each bidder shall be responsible for their delivery by the above noted time.

The work is generally described as follows:

LITTLE HURRICANE CREEK SEWER INSPECTION

- West Target Area – Approximately 10,310 L.F. of CCTV inspection of gravity sewer line near Midland Road and Springdale Avenue subdivision and under US 231 North
- East Target Area – Approximately 19,860 L.F. of CCTV inspection of gravity sewer line generally traveling cross country near Fairfield Pike

Contractors submitting bids should provide the following information:

1. Completed Bid Form.
2. Contractor's Capabilities/Experience/References for the requested services.
3. List of three (3) similar projects completed by the Contractor within the last five years.

For additional details regarding this project, please submit questions by email to the Project Manager, Daniel G. Tribble, P.E. with J. R. Wauford & Company Consulting Engineers, Inc. (Engineer), at [danielt@jrwauford.com](mailto:danielt@jrwauford.com).
