Applicant Interviews

Xiaozhu Hong, LMT – Hong Massage & Hong Spa

Ms. Hong appeared before the Board to answer and explain concerns regarding her establishment applications. The Board reviewed new establishment applications for Xiaozhu Hong, a licensed

massage therapist who applied for establishment licenses for Hong Massage and Hong Spa in Knoxville, TN. Ms. Hong's previous establishment applications were denied at the May 4, 2015 meeting due to evidence that showed Ms. Hong's establishments had been open and in operation before being approved for an establishment license. At the May 4, 2015 meeting, the Board based their decision for denial on T.C.A 63-18-108 (1)(7) and T.C.A 63-18-104 (a)(b). Upon the Board reviewing Ms. Hong's newly submitted establishment applications at the August 10, 2015 meeting, it was determined that Ms. Hong had continued to operate Hong Massage after the Board had directed her at the May 4, 2015 meeting to close the establishment. The Board reviewed a statement from the Knox Co. Sheriff Department that Hong Massage was open as of July 15, 2015. The Tennessee Massage Board administrative office provided an interpreter from the Tennessee Foreign Language Institute for interview. The interpreter, Ms. Jiao Hoggard, translated the Board's questions and concerns regarding Ms. Hong's licensure applications that she submitted for Massage Establishments in Tennessee. After a brief discussion, Mr. Velker made a motion to deny both of Ms. Hong's establishment applications based on T.C.A 63-18-108 (1)(7) and T.C.A 63-18-104 (a)(b). Ms. Cross seconded the motion, and the motion carried.

Sheng En Sun

The Board reviewed the massage therapist application for Sheng En Sun at the May 4, 2015 meeting and deferred the application to the August 10, 2015 meeting to allow him the opportunity to submit the final court documents regarding his arrest for impersonation of a licensed professional. Mr. Sun was convicted of impersonating a licensed professional, and was placed on probation and parole until June 8, 2016. The Administrative Office requested for Mr. Sun to contact TnPAP for an evaluation. The Board, at its discretion, may deny an application, based upon the Board's Policy regarding applicants currently on criminal probation. Ms. Cross made a motion seconded by Ms. Burke, to proceed with a discussion and a decision regarding Mr. Sun's file. The motion carried. After a brief discussion, Ms. Cross made a motion, seconded by Mr. Velker to deny Mr. Sun's massage therapist application based on T.C.A 63-18-108 (1)(7). The motion carried.

Mr. Pan was asked to appear before the Board to answer and explain concerns regarding the educational transcript submitted for his massage therapy application. The Administrative Office sent him an additional letter requesting him to attend the August 10, 2015 meeting. Mr. Pan was not present. Ms. Cross made a motion seconded by Mr. Velker, to proceed with a discussion and a decision regarding Mr. Pan's file. The motion

carried. After a brief discussion, Ms. Easterly made a motion, seconded by Ms. Cross to deny Mr. Pan's massage therapist application based on T.C.A 63-18-108 (1)(7). The motion carried.

Board Correspondences

American Massage Therapy Association Tennessee Chapter regarding Inspections

The AMTA wrote a letter of concern to the Board for its members requesting clarification on how unannounced inspections of establishments would be carried out. In the letter, AMTA addressed concerns regarding the “secret” shopper suggestion. Some members felt that it was unfair due to loss of income, while others expressed concerns that non-compliance would result in failing the inspection. The letter addressed that therapist have sporadic hours and, therefore, many therapist

will not be able to provide consistent work schedules to be present for an unannounced inspection. No action was taken by the Board since the task force is still working to gather information regarding re-instating inspections.

Shannon Moorleghen Webb – Continuing Education

Ms. Webb wrote a letter to the Board requesting that the Board waive her twenty-one (21) continuing education hours for the 2011/2012 continuing education cycle due to medical reasons. Ms. Webb submitted her \$675.00 penalty fees for non-compliance, but didn't submit her signed agreed citation. The Board requested that a letter be sent to Ms. Webb from the Office of General Counsel.

Ginger Janet Osborne-Wells – Felony Conviction

Presentation by the Tennessee Professional Assistance Program

Mr. Mike Harkreader, Executive Director of TnPAP, and Ms. Elaine Eaton, Administrative Director, was present at the meeting and provided an overview of the Tennessee Professional Assistance Program. TnPap's contract with the Tennessee Licensure Board of Massage went into effect on July 1, 2015. Currently TnPAP is monitoring one (1) massage therapist and one (1) establishment owner and there have been six (6) Board referrals. TnPAP is a professional monitoring organization, which is classified as an alternative to discipline model. TnPAP only monitors. All evaluations and treatments are performed by independent licensed practitioners that TnPAP has a working relationship with, and that has an understanding of mental health and addiction issues. Mr. Harkreader discussed the requirements and cost of an evaluation and different methods of drug testing. He explained that evaluations range in price from \$300.00 to \$1,000.00 dollars. He also discussed with the Board how TnPAP monitor's individuals. TnPAP is currently working on an educational video for the Massage Board and schools. Upon review of the two hour video, students would be required to take a short test over the information viewed in the video.

Ms. Eaton proposed to the Board to allocate \$40,000.00 in funds from the contract to be moved to the line item that is labeled "special assistance to individuals" to help offset the expenses for an evaluation and drug test for individuals that are working with TnPAP. Ms. Cross made a motion, seconded by Ms. Wray to accept a proposal to amend the contract and budget to allocate \$40,000.00 to cover expenses for evaluations and drug test for all individuals working with TnPAP up and until the \$40,000.00 is depleted. The motion carried.

Discuss Inspection of Massage Establishments

Ms. Cross and Ms. Hodge reported that the Inspection Task force had discussed and recommended that when the Request for Grant Proposal is written, it require that inspectors have previous background in investigations or law enforcement. Ms. Hodge contacted the Alabama, Florida, Massachusetts, Louisiana, Missouri, and Texas Board of Massage, and verified that their inspectors either were investigators or had law enforcement background. The task force felt that this would help prevent the appearance of any bias from the massage inspector. Dr. Persinger, Executive Director of the Federation of State Massage Boards, informed the Board that the FAIR Task Force will be working to gather information on best practice for massage inspections. She also offered assistance in researching additional states requirements for inspectors. Currently the Tennessee Massage Board doesn’t accept online education to meet the requirements for licensure as a massage therapist. Dr. Bolden emphasized that the Board would have to be very specific in detailing classes that would be required to be hands on in a class room. After a discussion, Dr. Bolden

recommended that a survey be created and sent to all approved Tennessee schools requesting the schools opinion on offering online core curriculum courses, and providing feedback on the specific courses that should be allowed to be offered online. The Board requested to defer the conversation to the February 2016 Meeting so that they could have time to define an out call, and what a fixed location and open to the general public means.
