

MINUTES
TENNESSEE BOARD OF DENTISTRY

Date: October 8, 2020

Location: Tennessee Department of Health
665 Mainstream Dr.
Nashville, TN 37243

Members Present: Dan Meadows, DDS- President
Robert Caldwell, DMD
Phillip Kemp, DDS
Thao Kinsey, RDH
Airica Brooke Puckett, RDH
Edward Moody, DDS
Maricela Rodriguez, DDS
Naomi Martin, RDA

Staff Present: Dea Smith, Executive Director
Ailene Macias, Administrative Manager
Paetria Morgan, Senior Associate General Counsel

The board meeting came to order at 9:20 a.m. via a WebEx meeting. Ms. Richert, Dr. Travis, and Dr. Tabor notified the board director that they would not be able to attend the board meeting.

Ms. Morgan took a roll call to ensure that all members were present. All other members of the board confirmed they were present, except for Ms. Puckett who was having connectivity issues joining the meeting. Ms. Morgan took another roll call to ask if all board members present on the call could hear the responses of the other board members during the previous attendance roll call. All board members confirmed they could hear everyone's responses during the roll call, except for Ms. Puckett. Another roll call was taken to confirm if all board members were alone at the location they were joining the web meeting from. Dr. Moody stated he had a wife and daughter in the house during the meeting, but they were not present in the room during the meeting. All other board members confirmed they were alone at their location during the meeting. Ms. Puckett was able to successfully join the meeting.

Ms. Morgan stated the purpose of the meeting was to conduct a rule making hearing, ratify approvals of licenses, reinstatements, renewals, certifications, courses, waivers, ratify orders, and to consider other time sensitive matters. The electronic meeting was deemed necessary due to the COVID19 pandemic and the CDC guidelines recommending social distancing. A motion was made by Dr. Rodriguez to proceed with the meeting for the previously stated purpose. Ms. Martin seconded the motion, and motion carried following a roll call vote.

Ms. Morgan stated that only certain matters are deemed appropriate for an electronic meeting considering the COVID19 outbreak, and a motion was necessary to confirm the matters to be discussed met those requirements. Ms. Kinsey made a motion that the meeting was necessary and met the requirements for an electronic meeting. Ms. Puckett seconded the motion, and the motion carried following a roll call vote. Ms.

Morgan took a roll call to confirm the board members had received all necessary materials before the board meeting. All board members confirmed they had received all materials to be discussed. Ms. Morgan reminded the board members to keep their microphones on mute unless they would like to speak, and that the law requires all votes during an electronic meeting be my roll call vote.

The rule making hearing was called to order by Ms. Morgan, who would also be the moderator of the hearing. All board members and agency representatives present were asked to introduce themselves for the purpose of keeping accurate records for the electronic meeting. The purpose of the rule making hearing is to solicit comments from the board to amend the rules in chapters 0460-01, 0460-02, and 0460-03. Ms. Morgan defined what a rule is, and the process for a rule making hearing before the proposed amendments to the rules proceed to the Governor's office for review, and possibly being forwarded to the Attorney General's office for approval. Ms. Morgan gave instructions for those in the public who wished to sign up online in order to allow them to comment during the rule making hearing about the proposed amendments to the rules. Those participating in the meeting by phone were asked to send an email to dental.health@tn.gov with their information and the rule or rules they would like to comment on during the rule making hearing. A public notice was sent out regarding the rule making hearing prior to the meeting taking place. The proposed rule changes were posted on the board website and were emailed to the associations.

Ms. Morgan read the following proposed rule amendments:

0460-01-.01 (7) Dental Anesthesiology- the specialty of dentistry and the discipline of anesthesiology encompassing the art and science of managing pain, anxiety and overall patient health during dental, oral maxillofacial and adjunctive surgical or diagnostic procedures throughout the entire perioperative period. The specialty is dedicated to promoting patient safety as well as access to care for all dental patients, including the very young and patients with special health care needs.

In relation to the Limited Educational License Requirements:

0460-02-.03 (3)(c) shall possess an active license which is in good standing in at least one (1) other state; and

Specialty Certifications to be recognized by the Board:

0460-02-.06 (1)(a) Dental Anesthesiology

Requirements for Certification:

0460-02-.06 (4) Dental Anesthesiology- An applicant must submit certification of successful completion of at least two (2) years of postgraduate training in Dental Anesthesiology at the university level in a program approved by the Council on Dental Education of the American Dental Association and the Board. Such evidence shall include either a transcript which indicates completion of the postgraduate training in Dental Anesthesiology or a certificate of completion letter from the director of the program on letterhead submitted directly from the school to the Board Administrative Office.

In relation to Anesthesia Consultants:

0460-02-.07 (11)(b) The Anesthesia Consultants Shall be:

1. A periodontist;
2. A pediatric dentist;
3. A general dentist
4. Two (2) oral and maxillofacial surgeons;
5. A dentist anesthesiologist; and
6. A rotating member who is a licensed general dentist or specialty dentist with a valid comprehensive conscious sedation or deep sedation/general anesthesia permit. The term of the rotating member will be two (2) years.

Regarding prescriptive authority certification:

0460-03-.13 Prescriptive Authority Certification. A licensed dental hygienist in Tennessee must obtain certification to prescribe fluoride agents, topical oral anesthetic agents, and nonsystemic oral antimicrobials to any patient.

(1) Application and Qualifications for Certification

- a. Tennessee licensed dental hygienists are eligible to take the Board-approved prescriptive authority certification course. The Board-approved course must include dosage and writing recommendations and the limitations of dental hygiene prescribing authority pursuant to T.C.A 63-5-108, effective July 1, 2020.
- b. Tennessee licensed dental hygienists, who have successfully completed a comparable dental hygiene training program on prescriptive authority in another state, which is comparable to the Board-approved course, are eligible to apply directly to the Board for certification in prescriptive authority without additional training, provided the course is determined by the Board consultant to be equivalent to the Board-approved course in Tennessee. The information regarding content of the course and proof of completion must be sent directly from the course provider to the Board's administrative office. If a certification or permit was issued by the other state, verification of the certification or permit must be received directly from the other board. If it is determined that the course is not equivalent, the licensed dental hygienist will be required to comply with the provisions of subparagraph (1)(a) before certification can be issued.
- c. Tennessee licensed dental hygienists applying for a prescriptive authority certification must have actively practiced as a licensed dental hygienist for no less than 1600 hours.
- d. Tennessee licensed dental hygienists applying for prescriptive authority certification must submit proof of successful completion of a two (2) hour pharmacology continuing education course.

(2) Prescriptive Authority Certification

- a. Licensed dental hygienists with a prescriptive authority certification shall be limited to prescribing fluoride agents, topical oral anesthetic agents, and nonsystemic oral antimicrobials that are not controlled substances under state and federal drug laws; and do not require a license from the federal drug enforcement agency.
- b. Licensed dental hygienists with a prescriptive authority certification shall only prescribe for patients under the general supervision of a licensed dentist, as provided in T.C. A 63-5-115(b)(2). A prescription written by a dental hygienist under this section must be reviewed by a dentist within 30 days.

- c. Licensed dental hygienists with a prescriptive authority certification shall prominently display at their place of employment, the current certificate, which is received up on licensure and renewal.
 - d. A prescriptive authority certification is only valid as long as the licensed dental hygienist has a current license to practice dental hygiene. If the license expires or is retired, the certification is also considered expired or retired and the dental hygienist may not prescribe fluoride agents, topical oral anesthetic agents, and nonsystemic oral antimicrobials to any patient until the license is renewed, reinstated or reactivated.
- (3) Allowable Percentages of Prescribed Agents
- a. Topical anti-caries treatments using sodium fluoride unless otherwise stated:
 - 1. Toothpastes- 1.1 percent (or stannous fluoride 0.4 percent);
 - 2. Topical gels- 1.1 percent (or stannous fluoride 0.4 percent);
 - 3. Oral rinses- 0.05 percent, 0.2 percent, 0.44 percent, 0.5 percent or oral rinse concentrate at 0.63 percent stannous fluoride;
 - 4. Fluoride varnish- 5 percent;
 - 5. Phophy paste- 1.25 percent and;
 - 6. Fluoride paste- 5 percent
 - b. Topical oral anesthetic agent:
 - 1. Up to 20 percent benzocaine;
 - 2. Up to 2 percent viscous lidocaine and;
 - 3. Cetacaine to include 14 percent benzocaine, 2 percent butamben and 2 percent tetracaine hydrochloride
 - c. Nonsystemic oral antimicrobials/topical anti-infectives:
 - 1. Chlorhexidine gluconate rinses- 0.12 percent;
 - 2. Arestin- minocycline hydrochloride microspheres, 1mg inserted into periodontal sulcus and;
 - 3. Atridox- doxycycline hyclate 10% gel inserted into periodontal sulcus

Dr. Chris Young, an anesthesiologist in Chattanooga, and a representative from the Tennessee Medical Association was the first to begin comments about the proposed rule changes. Dr. Young discussed some of the tragedies that have occurred in dental offices providing dental anesthesiology both in Tennessee and across the country. Dr. Young stated Tennessee statutes classify an anesthesiologist is a medical doctor who has completed four years of post-graduate training in anesthesiology, but a dentist only must complete two years of postgraduate training in anesthesiology. The TMA believes calling a dentist a “dental anesthesiologist” may confuse patients concerning the training and qualification a dentist may have versus the training of a medical doctor who is an anesthesiologist. He requested the board hold off on approving the proposed rule changes regarding dental anesthesiology, so the TMA and TDA may work together to find an appropriate term to refer to a dentist who can provide anesthesiology services, that would not conflict with the classification of an anesthesiologist who is a medical doctor.

Dr. Kemp replied stating the ADA recently approved dental anesthesiology as a specialty. He disagreed with Dr. Young stating dental anesthesiology training is very high quality and should not be looked at as sub-standard, and dentists who perform anesthesiology have a very good standard of care. Dr. Kemp stated since the ADA has approved the term and specialty of dental anesthesiology, it should not be an issue for the Board to approve it as a specialty.

Dr. Keith Gilmore, from the TN Academy of General Dentistry as a legislative liaison, joined the meeting to discuss the proposed rule change concerning dentist anesthesia/sedation consultants. They believe the number of consultants could be reduced to five, by having a periodontist, pediatric dentist, general dentist, an oral/maxillofacial surgeon, and eliminating the rotating position. They also believe it should be stated that each member of the committee should hold a current comprehensive conscious sedation or deep sedation permit.

Mark Greene from the Tennessee Dental Association, joined the meeting to comment in agreement with Dr. Gilmore, concerning the reduction of the dentist sedation consultant panel from seven to five. They would like to see the panel be comprised of a general dentist, periodontist, pediatric dentist, one oral/maxillofacial surgeon, and a dental anesthesiologist. They would like to eliminate the second oral and maxillofacial surgeon, as well as the rotating position. Dr. Young requested to have a physician anesthesiologist added to the panel. Dr. Meadows reminded the board and those joining the hearing that one of the oral and maxillofacial surgeons would also have an MD degree. Dr. Young requested the physician anesthesiologist still be added to the panel, since the dental anesthesiologist would be a new specialty and an MD would have the expertise to be able to ensure the best care for patients.

Dr. Meadows expressed there is a need for sedation of dental patients for a variety of reasons. Options for sedation for dental patients outside of a dental office would include the dental work being done in hospitals, outpatient clinics, oral surgery offices, or for the dentist to receive training in dental anesthesia. Dr. Meadows stated there is a definite need for dental anesthesiologists as a specialty in order to provide safe care for patients in need of anesthesia.

Dr. Andrew Franklin, a pediatric anesthesiologist at Vanderbilt, and the president of the TN Society of Anesthesiologists, joined the meeting to discuss the proposed rule changes. Dr. Franklin stated that anesthesiology is a medical specialty and an anesthesiologist is a physician. He cited TCA 63-6-204 (7)(b) which says that anesthesiologist is a physician who has completed a residency in anesthesiology. They are also concerned about the wording of the proposed dental anesthesiology rule about the “very young and those with special healthcare needs.” He stated a physician anesthesiologist receives approximately 12-15 years of education, and a physician has a much more profound understanding of the complexity of all human organ systems and how to manage those patients from a cardiopulmonary standpoint when those patients are receiving sedation or anesthesia. There can be many complications for those for the very young or those with special healthcare needs when under sedation or anesthesia. The TN Society of Anesthesiologists requested the board hold off on approving the proposed rule changes, so the TSA could work with the board to alter the terminology and wording used in the proposed rules to differentiate between a physician anesthesiologist and a dentist who provides sedation or anesthesia to patients. The TSA recommended that in the proposed rules, the term anesthesiology should be changed to “anesthesia”, and the term anesthesiologist should be changed to “anesthetist” or “anesthesia provider,” since they believe the term anesthesiologist should be reserved for a physician.

Dr. Zack Messieha, a dentist anesthesiologist and is the president elect of the American Society of Dental Anesthesiologists, joined the meeting in support of the proposed rule changes. Dr. Messieha read from the Center for Medicaid and Medicare services with the Federal Government, the definition of a physician includes a person with a DMD or DDS degree, so the term anesthesiologist is not just for a medical doctor. He also went over the dental anesthesiology training and residency requirements, which is a minimum of three years of training and requires working in a hospital. Dr. Messieha pointed out the board decision to require a minimum of two years to obtain the specialty designation of a dental anesthesiologist is for the

purpose of including dentists who have been in practice for many years, and their residency required one year of rotating internship and two years of clinical anesthesiology. The minimum amount of training required for a dental anesthesiologist is three years. Dr. Messieha and the American Society of Dental Anesthesiologists supports the Tennessee Board of Dentistry's proposed rule changes to recognize dental anesthesiology as a specialty. Dr. Young disagreed, stating the American Society of Anesthesiologists Board does not recognize the term "dental anesthesiologist." He stated that in order to be transparent with patients, another term should be used for a dentist who provides anesthesia services, in order to not confuse patients with who is providing care to them. Dr. Young commented that a dental anesthesiologist is not the same as a physician anesthesiologist. Dr. Messieha commented it's the responsibility of the practitioner to inform patients of their specialty status and training. He stated they communicate it very clearly with the public that they are not an anesthesiologist, but a dental anesthesiologist. Dr. Messieha then commented dental anesthesiologists have the same number of years of training as a physician anesthesiologist, and their training is not subpar or less than what a physician anesthesiologist receives.

Ms. Puckett asked if the board could possibly change the terminology to refer to a dentist who provides dental anesthesia as a "dental anesthetist," in order to work with both the physicians and dentist anesthesiologists to satisfy both sides. Dr. Messieha replied stating an anesthetist in the United States is reserved for a nurse anesthetist, and a dentist holds a doctorate degree with having completed a 3 year residency required for the dental anesthesiology certification. Dr. Kemp stated changing the terminology and wording of the proposed rules would be a disservice to all the work that has gone into drafting the proposed rules. Ms. Morgan reminded the board the purpose of the rule making hearing is to allow for comments from the public and make it possible to make changes to the proposed rules, if needed. Dr. Franklin asked the board members to consider what the parents would want for their children when taking them to a dental office, when they see "dental anesthesiologist" they will assume the dentist has been to medical school and not have a clear understanding of who is providing anesthesia services to their children. Dr. Messieha reminded everyone that it is made very clear to patients what type of training a dental anesthesiologist has had, and they do not mislead patients into believing they have been to medical school. Dr. Meadows stated he always talks to patients about the training and qualifications of the dental anesthesiologist, during the consultation with the patient so there is no misleading or misinformation about who is providing the anesthesia services for the dental procedure.

Ms. Morgan recited T.C.A. 63-5-112(a)(10) and stated that the definition of dental anesthesiology as listed in the proposed rules was approved and adopted by the ADA through the National Commission on Recognition of Dental Specialties and Certifying Boards on March 2019.

In reference to the rule amendments to approve the definition of dental anesthesiology as a specialty (0460-01-.01 (7)), Dr. Kemp made a motion to approve the rule change. Ms. Puckett seconded the motion. Dr. Caldwell and Dr. Moody recused themselves from voting. A roll call vote was taken, and the motion carried.

The next rule to be voted on was 0460-02-.06(a) in reference to the board issuing specialty certifications in dental anesthesiology. A motion to approve the rule change was made by Dr. Meadows and seconded by Ms. Martin. Dr. Caldwell and Dr. Moody recused themselves from voting on this rule change. All other board members voted to approve the rule change during the roll call vote. The motion carried.

The next rule to be voted on was 0460-02-.06 (4) in reference to the board requirements for obtaining a specialty certification in dental anesthesiology. Dr. Kemp made a motion to approve the rule change, and Ms. Kinsey seconded the motion. A roll call vote was taken. Dr. Caldwell and Dr. Moody recused themselves from voting on this rule change. The motion carried.

The next rule discussed was 0460-02-.07 (11)(b) regarding the anesthesia consultant committee. Dr. Young would like to have a physician anesthesiologist added to the consulting committee. Dr. Meadows stated the committee recommended having a dental anesthesiologist to the consultants, which would have brought the total number of people on that committee to 6, so the rotating member was added in order to have an odd number of consultants. Dr. Rodriguez asked why a physician anesthesiologist can't be a physician anesthesiologist, so they would be part of the consulting committee. Ms. Morgan clarified the sixth member of the committee must be a dentist with a comprehensive conscious sedation or deep sedation/general anesthesia permit, according to the rule change. Dr. Kemp asked if the anesthesia consultants would be the same or separate from the anesthesia committee. Ms. Smith clarified the anesthesia consultants make up the anesthesia committee. Dr. Kemp made a motion to approve the rule change, as written, Ms. Puckett seconded the motion. A roll call vote was taken. Dr. Caldwell recused himself again. The motion carried following the vote.

The rule change for 0460-02-.03 (3)(c) regarding the Limited Educational License process was the next rule for discussion. Ms. Puckett made a motion to approve the rule change as written. Dr. Rodriguez seconded the motion. The motion carried following a roll call vote.

The final rule to be discussed was 0460-03-.13 regarding a new proposed rule for the prescriptive authority for dental hygienists. Ms. Kinsey asked if a hygienist can place arestin as part of peri-maintenance, without general supervision. A hygienist cannot do scaling and root planning without the dentist present in the office. Dr. Meadows stated the rules still must be followed for the scope of practice even with the new rule. Ms. Kinsey asked for clarification if the hygienist can to peri-maintenance and place arestin without the dentist present in the office. Ms. Morgan stated the ointment can be placed by the hygienist without the dentist being present in the office, and the new rule does not change what a hygienist can do under general supervision. No other comments from the board members or general public were received. Ms. Kinsey made a motion to approve the new rule, and Ms. Martin seconded the motion. The motion passed following a roll call vote.

Ms. Morgan took another roll call vote to adopt all the proposed rules in the packet in its entirety. Dr. Moody recused himself from voting. The remaining board members all voted to accept the proposed rule changes discussed in the rule making hearing. Before turning over the meeting to the board members, Ms. Morgan reminded the board members of the conflict of interest policy.

A roll call was taken after a short break, before the meeting started again. The meeting was halted temporarily until there was a quorum, since several members did not respond during the roll call.

Dr. Meadows thanked Dr. Williams for his time serving on the board, and stated Dr. Tabor has replaced him as a board member. Dr. Tabor could unfortunately not be present for the board meeting.

MINUTES

Dr. Rodriguez made a motion to approve the meeting minutes from the July 9, 2020 Board of Dentistry Meeting. Ms. Kinsey seconded the motion, and the motion carried following a roll call vote

Dr. Rodriguez made a motion to approve the meeting minutes from the Board of Dentistry Specialty Committee. Ms. Martin seconded the motion, and the motion carried following a roll call vote.

INTERVIEWS/REQUESTS

1. Masterson, Alexis RDA- Ms. Masterson did not log into the meeting, and did not let the board staff know she would not be attending. She also did not appear before the board at the July 2020 board meeting, as previously requested as part of her application process.

2. Reed-Graham, Christina RDA- Ms. Reed-Graham was asked to come before the board due to being on a legal probation, from a charge from 2018 that was reported at the time of her application submission. Ms. Reed-Graham's legal probation will be ending in July 2021, and she is hoping to have the charge expunged from her record. She stated that she has completed all requirements, including an anger management course. Ms. Reed-Graham is currently working as a sterilization technician in an orthodontic office and is in school to become a dental hygienist. Ms. Martin asked if the board could review her application again once her probation has been completed. Dr. Meadows stated that holding off on reviewing the application was an option, but the license could also be granted to run concurrent with her legal probation. Ms. Morgan stated the applicant could withdraw her application and re-apply after her probation is over so the license would not be on probation, which is reported to the National Practitioner's Databank. Ms. Graham-Reed asked several questions regarding her options either having the board vote during the meeting, or the option of re-applying after her probation is over. Dr. Kemp asked if the board is required to place a license on probation to run concurrent with their legal probation. Ms. Morgan stated it is not required but has been standard practice for the board when granting licenses for those individuals on probation and there would need to be a clear reason stated for why a license was not place on probation by the board. Dr. Kemp asked the other board members to consider granting the license without being on probation, in order to not hinder her in obtaining a dental hygiene license after graduation from school. Dr. Meadows reminded the board of the importance of being consistent when making decisions regarding applications and those on legal probation. Dr. Moody asked that Ms. Reed-Graham let the board know what she would prefer, either having the application voted on during the current meeting or wait until her legal probation is over. Ms. Reed-Graham said she would prefer to wait until her legal probation is over before applying again. Dr. Kemp made a motion to approve her application for licensure, without the license being on probation because she would not be putting the public at risk since the charge was not anything drug related, and she would be able to provide for her family better. There was no second to the motion. Dr. Moody said making the exception for her license to be granted without being on probation would set a precedent that could be problematic in the future. Dr. Moody made a motion to allow Ms. Reed-Graham to withdraw her application to avoid it being reported as a license denial. Ms. Martin requested to have the fees from the current application be used for her re-application after her legal probation is over. Ms. Kinsey seconded Dr. Moody's motion, and added that the fees would not have to be paid again when re-applying. Dr. Kemp withdrew his motion. The motion carried following the roll call vote. Ms. Reed-Graham withdrew her application.

3. Rice, Ally, RDA- Ms. Rice came before the board due to legal issues being listed on her application for licensure. Ms. Rice stated that she does not want her past mistakes to prevent her from having a career as a dental assistant. She graduated from dental assisting school in September or October. Ms. Rice had a court date this past June and has since paid all fees and completed all requirements. She is currently not on probation and does not have any future court dates scheduled. Several charges were alcohol and drug related that were reported on her application. Ms. Martin asked Ms. Rice if she is currently working anywhere. She is working at a fruit market but is not working in the dental field currently. Ms. Puckett made a motion to grant Ms. Rice her license contingent on

completing an evaluation and obtaining approval from the Wellness Foundation. Ms. Kinsey seconded the motion, and the motion carried following a roll call vote.

RATIFICATIONS

Dr. Rodriguez made a motion to ratify all approvals of new licenses, reinstatements/reactivations, and retirements. Dr. Kemp seconded the motion, and the motion carried following a roll call vote.

Ms. Kinsey made a motion to ratify all approvals of specialties, certifications, and permits. Ms. Puckett seconded the motion, and the motion carried following a roll call vote.

Dr. Rodriguez made a motion to ratify the administrative revocations. Ms. Puckett seconded the motion, and the motion carried following a roll call vote.

APPROVAL OR DENIAL OF WAIVERS AND EXEMPTIONS

Dr. Rodriguez made a motion to approve the following waivers:

- | | |
|---------------------------|-----------------------------------|
| 1. Allen, Vicki RDH | 16. Hutcherson, Kimberly RDH |
| 2. Bass, Stephen DDS | 17. Levy, Carolin RDH |
| 3. Bauman, Kelsey RDH | 18. Magee, David DDS |
| 4. Champion, Jetonne RDH | 19. Meek, Crystal RDA |
| 5. Chaney, Shelia RDA | 20. Metzger, Kennedy, Tamara RDH |
| 6. Demps, Andrea RDH | 21. Paterson, Tracy RDA |
| 7. Douglas, Amanda RDA | 22. Peaks, Anne DDS |
| 8. Eades, Charlisie RDA | 23. Pearson, Brian DDS |
| 9. Franks, Deborah RDA | 24. Roller, Brandon DDS |
| 10. Graner, Andrea RDA | 25. Russell, Patricia RDH |
| 11. Gatlin, Kimberlie RDA | 26. Stringfellow, Eva RDH |
| 12. Ghodadra, Sejal DDS | 27. Thurmond, Makayla RDA |
| 13. Gilmore, Keith DDS | 28. Towbin, Norman DDS |
| 14. Greer, Sidney RDH | 29. Wallace, Laci RDH (extension) |
| 15. Howard, Teryn RDH | |

Ms. Kinsey seconded the motion, and the motion carried following a roll call vote.

Dr. Rodriguez made a motion to approve the exemption requested by Dr. William Jones, DDS. Ms. Puckett seconded the motion, and the motion carried following a roll call vote.

APPROVAL OR DENIAL OF CONTINUING EDUCATION, CPR COURSES AND/OR COURSES SUBMITTED BY INDIVIDUALS

Ms. Martin made a motion to approve the following:

1. Faires, Debora DDS- Certificate in the Buteyko Clinic Method Training
2. Kennedy, Kevin, DDS- The Breathe Course
3. 2020-2021 Medical- Legal-Update- American Educational Institute, Inc. – the following sections of this course were approved for one hour each.
 - a. Dermatology Potpourri

- b. Practice Risk Assessment – Part 1: The Government
- c. Evidence-Based Management of Heart Failure with Reduced Ejection Fraction
- d. Preventive Cardiology and Lifestyle Medicine Update
- e. Preventing Burnout by Managing Stress
- f. Drug Diversion: Safeguarding Your Healthcare Practice
- g. Defining, Diagnosing and Treatment Health Failure
- h. Holistic Asset Protection: Identifying and Protecting Against Practice Risk
- i. Impacting Cardiovascular Disease through Improved Lipids Management
- j. Patient Experience and Brand Management – Part 1: Optimizing Satisfaction
- k. Practical Aspects of Depression Management
- l. Practice Risk Management Assessment – Part 2: Patients, Partners & Staff
- m. Treating the Highly Non-Compliant Patient
- n. Sleep Disorders and their Management
- o. Strategies for Managing Hypertensive Patients to Goal
- p. Patient Experiences & Reputation Management – Part 2: Managing Your Brand

Dr. Rodriguez seconded the motion, and the motion carried following a roll call vote.

Dr. Rodriguez made a motion to uphold the denial of the following:

- 1. Worthy, Artmas DDS- National CPR Foundation Standard CPR/AED home study course.

Ms. Puckett seconded the motion, and the motion carried following a roll call vote.

DENTAL ASSISTING PROGRAMS

Ms. Kinsey made a motion to approve the following programs:

- 1. Academy of Dental & Medical Educators, Inc.
- 2. Cumberland Academy of Dental Assisting
- 3. Daymar College- Murfreesboro
- 4. Daymar College- Nashville

Ms. Puckett seconded the motion and a roll call vote was taken. No response was received from Dr. Kemp during the roll call vote. The motion carried.

PROGRAMS AND CERTIFICATION COURSES

Ms. Martin made a motion to approve the following courses:

- 1. *Administration of Local Anesthesia*
 - a. University of Tennessee College of Dentistry
- 2. *Administering and Monitoring Nitrous Oxide*
 - a. Concorde Career College- Dental Hygiene
 - b. Cumberland Academy of Dental Assisting, PLLC
 - c. Interfaith Dental
 - d. Nitrous Oxide Administration and Monitoring Certification Program
 - e. Remington College- Dental Hygiene
 - f. Roane State Community College

- g. University of Tennessee College of Dentistry
- 3. *Coronal Polishing*
 - a. Complete Dental Care Educational Center
 - b. Coronal Polishing Certification Program
 - c. Cumberland Academy of Dental Assisting
 - d. Dental Staff School Chattanooga
 - e. Dental Staff School Knoxville
 - f. Dental Staff School Tennessee
 - g. Interfaith Dental's Interfaith Education Center for Community Dental Care
 - h. University of Tennessee College of Dentistry
- 4. *Dental Radiology*
 - a. Cumberland Academy of Dental Assisting
 - b. Dental Radiology Certification Program
 - c. Interfaith Dental's Interfaith Education Center for Community Dental Care
 - d. Tennessee College of Applied Technology at Knoxville
 - e. University of Tennessee College of Dentistry
- 5. *Sealant Application*
 - a. Complete Dental Care Educational Center
 - b. Cumberland Academy of Dental Assisting
 - c. Dental Staff School Chattanooga
 - d. Dental Staff School Knoxville
 - e. Dental Staff School of Tennessee
 - f. Interfaith Dental's Interfaith Education Center for Community Dental Care
 - g. Sealant Application Certification Program
 - h. Tennessee College of Applied Technology at Knoxville
- 6. *Nitrous Oxide Monitoring Course*
 - a. Complete Dental Educational Center
 - b. Dental Staff School of Chattanooga
 - c. Dental Staff School of Knoxville
 - d. Dental Staff School of Tennessee
 - e. Dental Staff School of Tennessee (online course)
 - f. Interfaith Dental's Interfaith Education Center for Community Dental Care
 - g. Nitrous Oxide Monitoring Certification Program
 - h. Tennessee College of Applied Technology at Knoxville
 - i. University of Tennessee College of Dentistry
- 7. *Prosthetic Functions*
 - a. University of Tennessee College of Dentistry
- 8. *Restorative Functions*
 - a. Meharry Medical College- School of Dentistry
 - b. University of Tennessee College of Dentistry

Ms. Kinsey seconded the motion, and a roll call vote was taken. No response during the vote was received from Dr. Kemp. The motion carried.

EQUIVALENCY OF COURSES

Ms. Kinsey made a motion to approve the following courses:

1. *Administering and Monitoring Nitrous Oxide*

- a. Ainsworth, Allison DH equivalency- Henderson Comm. College was WKCTC
- b. Ashby, Jaime DH equivalency - AMNO- Wytheville Community College
- c. Bitondo, Amber DH equivalency - Pierce College
- d. Chastain, Sharon DH equivalency - Prairie State College
- e. Conry, Tiffany DH equivalency- Wayne County Comm. College
- f. Fink, Brittany DH equivalency- Parkland College
- g. Galacviz-Herrera, Krissa DH equivalency- Manhattan Area Tech College
- h. Oller, Alyssa DH equivalency- Southern IL University
- i. Puchalsky, Svetlana DH equivalency- University of Alaska

- e. Webster, Janice- University of Florida CE Department- Coronal Polishing and Sealants
- f. Williams, Travon- Vatterott Career College- Radiology

Ms. Kinsey seconded the motion. The motion carried following a roll call vote.

CORRESPONDENCE

Email from Southern Conference of Deans and Dental Examiners- the next meeting will be held in January 2022. All other correspondence was reviewed with no action taken.

REPORTS

Financial Report- Ms. Alisha Grice, the new HRB Fiscal Director, joined the meeting to give the financial report. The highest amount of revenue came from renewals and initial applications. It was not recommended to make any changes regarding the fee structures for the board, due to the current pandemic and the uncertainties it is creating for the next fiscal year.

Update from the Schools of Dentistry- Ms. Farmer-Dixon joined the meeting to give an update on the Meharry School of Dentistry. The school has had to adjust operations due to COVID19, to allow students to continue their education while limiting the number of people gathering in person for classes. They have been approved by CODA to begin an international program that will begin in January. The new program is two years and is for foreign trained dentists. Dr. Gray joined the meeting to give an update on the EFDA program. They are currently awaiting re-certification from the board for the EFDA program for 2021. The fall course is underway with 34 students enrolled, and they are in their second week of the course. They have a waiting list of applicants for their spring 2021 EFDA course. All students must be tested for COVID19 at least seven days before entering the school, must present a negative test result, and they are conducting temp checks and screening when entering the school as well.

Dr. Ragain joined the meeting to give an update on the UT School of Dentistry. Due to COVID, all classes are still being held remotely, with students being broken up into groups to allow for laboratory time for in person course requirements. They are following the rules for social distancing to ensure the safety of the staff and students, while continuing to teach. Over 1900 applicants for the next year's D1 class have been received so far. The new construction with the school of dentistry is 840 days away from being completed on campus. Dr. McKinney joined the meeting to give an update on the EFDA course. They have been conducting Zoom courses during the pandemic to continue teaching lectures for the EFDA course. A new class just began, with 10 students in attendance to practice proper social distancing in the EFDA course.

Office of Investigations Report: Ms. Lori Leonard joined the meeting to give the investigations report. The request for additional consultants to review cases was no longer needed, as the issue was resolved. 153 new complaints have been opened on dentists since the start of 2020, 18 of those complaints were regarding COVID19 specific issues. Seven new complaints were opened on dental hygienists since the start of 2020. Ten new complaints were opened on dental assistants since the start of 2020.

Executive Directors Report- The board has over 20,000 licensees at this time, and 213 facility permits issued so far. Most license holders are now renewing their licenses online. The meeting dates for 2021 have been scheduled, and the board members were encouraged to plan to attend. The dates will be January 7-8, April 8-9, July 8-9, and October 7-8. The board events calendar on the board website also has the meeting dates listed for the general public as well.

Tennessee Dental Wellness Foundation Update- Dr. Sain joined the meeting to give an update on the Tennessee Dental Wellness Foundation. During the COVID19 pandemic, the foundation has found that there was an increase in drug tests coming back positive for drug use for those currently under evaluation/under contract. The foundation had to move their CE courses and meetings to being online due to the pandemic. Other state wellness foundations had similar results with an increase of those under contract having positive drug tests during the pandemic. The foundation currently has 53 clients under contract, and 2 evaluations were paid for by the foundation for dental assistants.

CE Broker Update- As of October 2, 2020, there are total of 3,780 basic account registrations, 426 professional subscriptions, and 42 concierge subscriptions for dental professionals in CE Broker.

Update on SRTA/ADEX and committee appointments- Dr. Hall, Ms. Warner, and Dr. Holt are all serving in some capacity on the committees with SRTA/ADEX. Dr. Meadows asked for volunteers to serve in additional roles with the committee. Dr. Rodriguez volunteered to serve in one of the roles, and will contact Dr. Hall to speak about which opportunity would be the best role to serve in. Ms. Kinsey also volunteered to serve on the exam committee and will contact Dr. Hall about available opportunities.

OTHER BUSINESS, RULE CHANGES AND/OR POLICY CHANGES

Gateway Service Project Update for Prescribing and Dispensing Boards- Dr. Bess joined the meeting to give the update on the Gateway Service Project. COVID 19 has made the work on the project a bit more difficult to get done, but the site has really taken off. At the end of September, over 500 entities have expressed interest in the new system option. Dr. Bess encouraged everyone who hasn't received the email regarding the new system, to log into CSMD to update their email information. There is a link called "Integration" on the CSMD website to give information needed for the request form for interest with the CSMD vendor, then a questionnaire will need to be done to show what type server is being used at the practice location, and then a license agreement that will need to be done between the practice site and APRS. Within a short period of time, the practice will then be able to go into production to be able to use the new system. The feedback about the new system is very positive, with users saying it's very easy to use and very efficient.

Reminder Email About CDC/ADA Guidelines- Dr. Meadows discussed the idea of sending out a reminder email to licensees to continue following the ADA/CDC guidelines regarding COVID19. Dr. Kemp agreed that it would be a great idea to send an email to license holders, to encourage everyone to continue the good work with preventing COVID outbreaks in dental offices. Dr. Kemp made a motion to have an email sent out to the licensees. Ms. Kinsey seconded the motion, and the motion carried following a roll call vote.

COMMITTEE AND TASKFORCE UPDATES

A replacement for Dr. Williams on the CSMD Committee was needed. Dr. Caldwell volunteered to be on the CSMD Committee. A roll call was taken, with all board members agreeing that Dr. Caldwell would be the new board representative on the committee.

AGREED CITATIONS

Ms. Kinsey made a motion to approve the following agreed citations:

Continuing Education-

1. Brewer, Kelsie RDA
2. Brock, Lisa RDA
3. Brown, Debora RDA
4. Chapman, Tristen RDA
5. Clevinger, Kimberly RDA
6. Cottrill, Adams DDS
7. Ford, Desiree' RDH
8. Ibrahim, Awad RDA
9. Jones, Alfred RDA
10. Lara, Susana RDA
11. McGhee, Joanna RDH
12. Norris, Amy RDA
13. Patterson, Michael DDS

A roll call vote was taken. No response was received from Dr. Kemp during the vote. The motion carried following a roll call vote.

Ms. Martin made a motion to approve the following citations:

Lapsed Licenses-

1. Brown, Brittany RDA
2. Garrison, Lisa RDA

Dr. Moody seconded the motion to approve, and roll call vote was taken. No reply was received during the roll call vote from Dr. Kemp. The motion carried.

ORDER OF COMPLIANCE

1. Gravelle, Joshua DDS- Dr. Gravelle has complied with the conditions and terms of the order and has paid all costs associated with the order along with all civil penalties. Dr. Gravelle has requested to have the probation lifted from his license, effective today if approved. A motion made by Dr. Meadows to lift the probation from the license, and the motion was seconded by Dr. Rodriguez. A roll call vote was taken, with no reply being received from Dr. Kemp. The motion carried. A motion to accept the drafted order of compliance was made by Dr. Meadows and was seconded by Dr. Rodriguez. No reply from Dr. Kemp was received during roll call vote; all other board members approved motion. The motion carried.
2. Slater, Otto DDS- In April 2019 a consent order to suspend his license with one year probation was entered into. The Order of Compliance shows Dr. Slater has paid all fines, completed CE requirements, and has entered into a contract with Wellness Foundation. In July 2019, the license was placed on the 1 year of probation after compliance with the license suspension requirements were completed. Dr. Slater joined the meeting to request the lifting of the probation on his license.

A motion was made by Ms. Martin to remove the probation from Dr. Slater's license and was seconded by Dr. Rodriguez. A roll call vote was taken, with no reply being received from Dr. Kemp. The motion carried. Another motion was made to adopt the drafted order was made by Dr. Rodriguez and seconded by Ms. Puckett vote. A roll call vote was taken, and the motion carried.

CONSENT ORDERS

1. Taylor, Keith DDS- Dr. Taylor was audited for his sedation permit for 2017-2018 and was unable to provide the 4 hours of continuing education in the subject of sedation, as part of the requirements to maintain his sedation permit. He will be required to pay a total of \$400 in civil penalties and must make up the continuing education hours that he was lacking. The disciplinary action will be reported to the National Practitioners Databank. A motion was made by Ms. Kinsey to approve the order, and Ms. Puckett seconded the motion. A roll call vote was taken, with no reply from Dr. Kemp. The motion carried.
2. Jordan, Robert DDS- Dr. Jordan was audited for his deep sedation permit for 2017-2018 and was unable to provide proof of his ACLS certification from November 2017 to December 2018. He will be required to pay \$1,400 in civil penalties and show proof of current ACLS certification. The disciplinary action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to approve the order, and Dr. Rodriguez seconded the order. A roll call vote was taken, with Dr. Caldwell recusing himself from voting on the order, and no reply from Dr. Kemp. The motion carried.
3. Johnson, Sara RDA- Dr. Moody and Dr. Caldwell were recused from this order. Ms. Johnson submitted a reinstatement application which showed that she had been working on an expired license for a total of seven months, including performing all duties of her certifications. She will be assessed a total of \$1,500 for working on an expired license, and the disciplinary action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to accept the order, and Ms. Martin seconded the motion. A roll call vote was taken, with no response from Dr. Kemp. The motion carried.
4. Cottrill, Adam DDS- Dr. Caldwell was recused from this order. Dr. Cottrill entered into an Agreed Settlement Order with the Texas Board of Dentistry in August 2019, due to failing to diagnose a lesion in a patient's jaw at tooth number 17 and failing to document the panoramic radiographs taken along with the findings deduced from it. As part of the order, Dr. Cottrill will be required to pay all costs associated with presenting the order, and the disciplinary action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to ratify the order, and Dr. Rodriguez seconded the order. The motion carried following a roll call vote.
5. Kinney, John DDS- Dr. Caldwell was recused from this order. Dr. Kinney retired from practice and closed his practice without giving proper notice to his patients in 2019. As part of the order, he will have to pay civil penalties totaling \$500, as well as the costs assessed for presenting order. A motion to ratify the order was made by Dr. Meadows and was seconded by Ms. Kinsey. The motion carried following a roll call vote.

6. Kussman, Tammy Jean DDS- Dr. Caldwell was recused from this order. Dr. Kussman allowed a registered dental assistant to work on an expired license including exposing radiographs, for a total of 10 months. She will be fined a total of \$800 in civil penalties as part of the order and will be assessed the costs of presenting the order. The disciplinary action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to ratify the order, and Dr. Rodriguez seconded the order. The motion carried following a roll call vote.
7. Morrow, Amanda RDA- Dr. Caldwell was recused from this order. Ms. Marrow submitted a reinstatement application stating she had performed all duties of a registered dental assistant, including exposing radiographs for a total for 10 months on an expired registration. She will be required to pay a total of \$2,400 in civil penalties. The disciplinary action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to ratify the order, and Ms. Kinsey seconded the order. The motion carried following a roll call vote.
8. Pickering, James DDS- Dr. Moody and Dr. Caldwell recused themselves from this order. Dr. Pickering allowed a dental assistant to work on an expired license, including exposing radiographs and coronal polishing for a total of seven months. He will be required to pay a total of \$500 in civil penalties, and the costs for presenting the order. The disciplinary action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to ratify the order, and Dr. Rodriguez seconded the motion. The motion carried following a roll call vote.
9. Storm, Buffy DDS- Dr. Caldwell was recused from hearing this order. Dr. Storm allowed a dental assistant to work on an expired registration for a total of 10 months, including exposing radiographs. Dr. Storm will be required to pay a total of \$800 and will be assessed the costs of presenting the order. The Disciplinary Action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to ratify the order, and Ms. Martin seconded the order. The motion carried following a roll call vote.
10. Thompson, Keri RDA- Dr. Caldwell was recused from this order. Ms. Thompson was audited for the 2015-2016 CE cycle, and she failed to provide proof of compliance with the audit or respond to the agreed citations sent concerning the audit. She will be required to pay \$150 in civil penalties, be required to make up the 24 hours of CE including the two hours in chemical dependency and must pay the costs for presenting the order. The disciplinary action will be reported to the National Practitioners Databank. Dr. Meadows made a motion to ratify the order, and Ms. Kinsey seconded the order. The motion carried following a roll call vote.

ELECTION OF OFFICERS

A replacement was needed for Dr. Williams to be the Secretary of the Board. Dr. Caldwell volunteered to serve as the Board Secretary. Ms. Puckett made a motion to nominate Dr. Caldwell as Secretary, and Dr. Kemp seconded the motion. The motion carried following a roll call vote. Dr Caldwell will also continue as the Board Consultant.

A motion to adjourn was made by Ms. Kinsey and the motion was seconded by Ms. Puckett. The meeting was adjourned.
