September 10th & 11th, 2014

All board meetings begin at 9:00 a.m., Central Time. Board meetings are held at the board's office and are open to the public. The board office location has changed and is now located at 665 Mainstream Drive, 2nd Floor, Nashville, TN 37243. Dates are subject to change, but are listed on the board's website. In the event of an electronic meeting, a conference room is made available to the public and is the location from which the electronic meeting is conducted.

BOARD SUBCOMMITTEES

The Board for Licensing Health Care Facilities voted and approved at the September 11th, 2013 Board the establishment of two (2) subcommittees. The first subcommittee, residential home for the aged (RHA) subcommittee, was developed to revisit the interpretative guideline concerning the provision of hospice services in a RHA. The second subcommittee, Life Safety NFPA/Sprinkler subcommittee, was developed to address the Tennessee Department of Health's code interpretation concerning fire sprinkler piping penetration of fire walls.

The RHA/Hospice subcommittee met on November 18th, 2013. The subcommittee voted to add further language to the existing interpretative guideline to include a requirement that a resident who is no longer ambulatory be transferred to a private residential home or an appropriately licensed facility.

The full Board approved the subcommittee's recommendation at the January 23rd, 2014 meeting.

The Life Safety NFPA/Sprinkler subcommittee met on October 28th, 2013. The subcommittee developed Board Policy #80 allowing facilities separated into individual buildings by common firewalls be served by a single sprinkler system and riser subject to NFPA 13 codes and in accordance with CMS requirements and practices of surrounding states utilizing the IBC codes without modification. The full Board approved the subcommittee's recommendation at the January 23rd, 2014 meeting.

The ACLF subcommittee met on August 30th, 2013. The subcommittee discussed all prioritized items – medical administration, evacuation, and infectious disease. For the evacuation item, more information was felt to be needed by the subcommittee from interested and expert participants at the subcommittee. Medication administration interpretation guideline developed and approved by subcommittee. The subcommittee wants this in place during interim of rule language development, approval, and effective date. The full Board approved the subcommittee's recommendation concerning medication administration at the September 11th, 2013 meeting. Language concerns on behalf of the Commissioner of Health were presented to the subcommittee members for consideration. The subcommittee stated all remaining items of concern would be addressed at the next scheduled subcommittee meeting which is to be announced.

EMS REPORT

At the September 11th, 2013 Board for Licensing Health Care Facilities meeting, Rob Seesholtz, Trauma Manager with the Office of Emergency Medical Services (EMS) informed the Board the policy and procedure for trauma registry data is with legal counsel for review. He further advised the Board EMS destination guidelines had been reviewed by the Committee on Pediatric Emergency Care (CoPEC) and Trauma Care Advisory Council (TCAC) and were to be presented to the EMS Clinical Issues Committee of the EMS Board. Mr. Seesholtz presented a summary of the trauma site team's visit to Athens Regional Medical Center for Level III redesignation and Blount Memorial for Level III redesignation.

At the January 23rd, 2014 Board meeting, Mr. Seesholtz presented a summary of the trauma site team's visit to the University of Tennessee Medical Center for Level I redesignation as well as their corrective action plan. He also presented Athens Regional Medical Center's response and plan of correction to their trauma site visit of June 10th, 2013. Mr. Seesholtz advised the Board of Erlanger Medical Center Children's Hospital's failure to submit trauma registry data for a full year. He further informed the Board Erlanger Medical Center Children's Hospital had submitted a corrective action plan to address the failure of submitting trauma registry data for the indicated period. The Board was also made aware of the facility's previous appearance before the Board for the failure to submit trauma registry data in the required timeframe. The Board requested an update of the Erlanger Medical Center Children's Hospital data submission performance at the May 2014 Board meeting and to have a representative of the facility present if trauma registry data is not reported in a timely fashion.
