

**Tennessee Medical Laboratory Board  
Personnel and Education Committee  
January 16, 2019  
Minutes**

**Date:** January 16, 2019

**Time:** 1:00 PM CST

**Location:** Department of Health Licensure and Regulation  
TN Department of Health  
Metro Center Complex, Iris Room, Ground Floor  
665 Mainstream Drive,  
Nashville, TN 37243

**Members Present:**

Patti J. Walton, Hospital/Lab Manager/Adm. Director  
Acting Chairperson  
Tereyo M. Cox, Medical Technologist General  
Keisha N. Burnett, S.A. Cytotechnologist  
Stephanie Dolsen, Lab Supervisor  
Michael Johnson, Medical Technologist General  
James W. Vaughan, M.D., Pathologist-Educator

**Members Absent:** Mark Calarco, DO, Independent Laboratory Mgmt./Adm.

**Staff Present:** Lynda S. England, Medical Technologist Consultant,  
Director  
Nina V. Smith, Medical Technologist Consultant  
Matt Gibbs, Office of General Counsel

**Staff Absent:** Kyonzte Hughes-Toombs, Deputy General Counsel, Office  
of General Counsel

**Presiding Officer:** The meeting was conducted by Patti J. Walton, Acting  
Chairperson

**Call to Order:** The meeting was called to order at 1:00 PM CST

**Introductions:** The Board and staff made their introductions to the public  
in attendance.  
Welcomed new board member:  
LeeAnne Briggs, Medical Technologist Educator

**Proceedings and Actions Taken:**

**Review Correspondence: Personnel Issues:  
Review Initial Applications and/or interview applicants to determine  
eligibility or remediation:**

- 1. Edward D. Lardizabal**  
**Johnson City, TN**  
**37604**  
**Medical Laboratory**  
**Supervisor-Chemistry**

**Application:** Medical Laboratory Supervisor- Chemistry

**Degree:** B.S., Saint Louis University, Baguio City, Philippines, 1995

**Training Program:** St. Louis University School of Medical Technology, 1994 - 1995

**Equivalence:** Bachelor of Science in Medical Technology

**Certification:** ASCPi- International Medical Technologist Issued December 30, 2009. TMLB does not accept ASCPi if issued before 01-01-2015.  
National Registry of Certified Chemists (NRCC), Clinical Chemistry Technologist, November 2, 2018, exp. December 31, 2019

**Board Review:** Trained outside United States, but has 15 years of work experience in the U.S.

**File Status:** All other qualifying documents are present in the file

**After interviewing Mr. Lardizabal and reviewing his international credentials, a motion to approve his license as a Medical Laboratory Supervisor-Chemistry was made by: Mr. Johnson**  
**Second: Ms. Dolsen**

**License Approved**
- 2. Izabela Anton**  
**Sommers, CT**  
**Medical Laboratory**  
**Technologist**

**Application:** Medical Laboratory Technologist-Generalist

**Degree:** Doctor of Medicine, Carol Davila University of Medicine and Pharmacy, Bucharest, Romania, 1995

**Training Program:** University of Kentucky Medical Laboratory Sciences Program, Lexington, KY, 2005. This is a NAACLS accredited training program that issues a certificate to the graduates.

**Equivalence:** First professional degree in medicine (Doctor of Medicine)

**Certification:** ASCP, Medical Laboratory Scientist, 2005  
Expiration 09-30-2020

**Board Review:** Trained outside United States, but has 13 years of work experience in the U.S. The transcript evaluation from WES is not a “course by course” evaluation. Traveling to Romania to procure transcripts for evaluation would cause undue hardship for Ms. Anton. Documentation of courses taken in Romania can be found on the University of Kentucky transcript as transfer credit. However, the transcript from UK shows only 12 semester hours of Chemistry.

**Since the course transfer credit from the Carol Davila University of Medicine and Pharmacy, Bucharest, Romania was accepted by the University of Kentucky to fulfill the requirements for entrance to the MT program, a motion was offered to accept the broad version WES evaluation: Ms. Dolsen**

**Second: Dr. Vaughan**

**Pending full board approval of the reinterpretation of Rule 1200-06-01-.22 (1)(a)(2)(i) a motion was offered to approve Ms. Anton’s license as a Medical Laboratory Technologist that graduated from a NAACLS accredited training program at the University of Kentucky. This reinterpretation would not consider the chemistry course requirements in Rule 1200-06-01-.22 (1)(g): Ms. Dolsen**

**Second: Mr. Johnson**

**License Approved conditionally**

Note: On January 17, 2019, the TN Medical Laboratory Board approved the Committee/Task Force reinterpretation of Rule 1200-06-01-.22 (1)(a)(2)(i). Ms. Anton’s license was approved as a Medical Technologist that graduated from a NAACLS accredited MT training program.

**Reinstatement  
Applications:**

**Nothing to present**

**Reactivate Retired  
Applications**

Nothing to present

**Review Consultant Approval and Ratification of Personnel Applications:\***

**New Licenses and Temporary Licenses (Attachments 1 & 2)**

The Committee reviewed the Consultant approved list of initial and temporary licenses from October 1, 2018 through December 31, 2018.

**Reinstatements (Attachment 3)**

The Committee reviewed the Consultant approved list of reinstated licenses from October 1, 2018 through December 31, 2018.

**Closed Files (Attachment 4)**

The Committee reviewed the Consultant approved list of closed files from October 1, 2018 through December 31, 2018.

**Retired Files (Attachment 5)**

The Committee reviewed the Consultant approved list of retired licenses from October 1, 2018 through December 31, 2018.

**Training Permits (Attachment 6)**

The Committee reviewed the Consultant approved list of training permits from October 1, 2018 through December 31, 2018.

\*All licenses ratified with one motion.

**Motion to ratify consultant approved new, temporary, reinstated, closed, retired licenses and training permits:**

**Mr. Johnson**

**Second: Dr. Vaughan**

**Ratified: Initial Actions of Consultant**

**Review Correspondence: Personnel and Educational Issues:**

1. **Initial Approval for Program Director of the MT-Chemistry Training Program**

**Kathleen Kenwright, EdD, MLS(ASCP) SI, MB** Chair and Associate Professor of the Clinical Laboratory Sciences MT Training Program of the **University of TN Health Science Center in Memphis, TN**, requested approval to become the initial program director of the MT –Chemistry training program at UTHSC.

The Committee interviewed Dr. Kenwright and reviewed her qualifications in relationship with the Rules. Dr. Kenwright presented a letter from NAACLS stating that she had been accepted as Program Director of the MT Generalist program. Upon review of her credentials, the following motion was offered:

**Motion to approve Dr. Kenwright as the Program Director of the newly formed Medical Laboratory Technologist in Chemistry Training Program, UTHSC,Memphis, TN:**

Ms. Dolsen

**Second:** Mr. Johnson

**Abstain:** Ms. Burnett

**Motion Approved**

2. **Initial Approval for the Medical Laboratory MT-Chemistry Training Program**

After gaining approval as the program director, **Kathleen Kenwright, EdD, MLS(ASCP) SI, MB** requested approval of the Medical Laboratory Technologist in Chemistry Training Program. The P&E Committee reviewed the application and the Laboratory Board Training Program Standards Checklist that was submitted by Lynda England, Board Director. The facility was not inspected because this program will occupy the same student laboratory space as the existing licensed MT training program:

I. Facility, Equipment, Materials (Rule 1200-06-02-.01)

II. Faculty Requirements (Rule 1200-06-02-.02)

V. Minimum Requirements for MT Specialty Programs (Rule 1200-06-02-.04)

VI. Contents of Application for Admission to Training Programs (Rule 1200-06-02-.06)

VII. Clinical Facilities/Approved Laboratory Experience-Practicum (Rule 1200-06-02-.01(5))

Dr. Kenwright submitted a letter from NAACLS confirming the official accreditation of the UTHSC MT program. The Chemistry Training Program would be under the auspices of the MT Generalist Program.

Upon review of the application for a MT Chemistry Training Program, the following motion was offered:

**Motion to approve the Medical Laboratory Technologist in Chemistry Training Program at UTHSC, Memphis, TN:**

Mr. Johnson

**Second:** Ms. Cox

**Abstain:** Ms. Burnett

**Motion Approved**

**3. Initial Approval for Program Director of the MT-Microbiology Training Program**

**Kathleen Kenwright, EdD, MLS(ASCP) SI, MB** Chair and Associate Professor of the Clinical Laboratory Sciences MT Training Program of the **University of TN Health Science Center in Memphis, TN**, requested approval to become the initial program director of the MT-Microbiology training program at UTHSC.

The Committee interviewed Dr. Kenwright and reviewed her qualifications in relationship with the Rules. Dr. Kenwright presented a letter from NAACLS stating that she had been accepted as Program Director of the MT Generalist program. Upon review of her credentials, the following motion was offered:

**Motion to approve Dr. Kenwright as the Program Director of the newly formed Medical Laboratory Technologist in Microbiology Training Program, UTHSC,Memphis, TN:**

Mr. Johnson

**Second:** Ms. Dolsen

**Abstain:** Ms. Burnett

**Motion Approved**

**4. Initial Approval for the Medical Laboratory MT-Microbiology Training Program**

After gaining approval as the program director, **Kathleen Kenwright, EdD, MLS(ASCP) SI, MB** requested approval of the Medical Laboratory Technologist in Microbiology Training Program. The P&E Committee reviewed the application and the Laboratory Board Training Program Standards Checklist that was submitted by Lynda England, Board Director. The facility was not inspected because this program will occupy the same student laboratory space as the existing licensed MT training program:

I. Facility, Equipment, Materials (Rule 1200-06-02-.01)

II. Faculty Requirements (Rule 1200-06-02-.02)

V. Minimum Requirements for MT Specialty Programs (Rule 1200-06-02-.04)

VI. Contents of Application for Admission to Training Programs (Rule 1200-06-02-.06)

VII. Clinical Facilities/Approved Laboratory Experience-Practicum (Rule 1200-06-02-.01(5))

Dr. Kenwright submitted a letter from NAACLS confirming the official accreditation of the UTHSC MT Program. The Microbiology Training Program would be under the auspices of the MT Generalist Program.

Upon review of the application for a MT Microbiology Training Program, the following motion was offered:

**Motion to approve the Medical Laboratory Technologist in Microbiology Training Program at UTHSC, Memphis,**

**TN:** Ms. Dolsen

**Second:** Mr. Johnson

**Abstain:** Ms. Burnett

**Motion Approved**

5. **Change of Program Director**

**Paula L. Gibbs, MPH, MT(ASCP)** appeared before the Personnel and Education Committee requesting approval to become the Program Director of the TDH MT-Microbiology Training Program in Nashville, TN. The Committee interviewed Ms. Gibbs and reviewed her qualifications in relationship with the Rules. Upon having a thorough review, the following motion was offered:

**Motion to approve Ms. Gibbs as the Program Director of the TDH MT-Microbiology Training Program in Nashville,**

**TN:** Dr. Vaughan

**Second:** Mr. Johnson

6. **Request for additional clinical rotation sites**

**Kim-Sue Tudor, Ph.D. MT (ASCP)**, Program Director of the **Motlow State Community College**, Medical Laboratory Technician Training Program in Smyrna, TN, was not present to request the approval of rotation site:

**Cookeville Regional Medical Center, Cookeville, TN**

After reviewing the Clinical Facility Fact Sheet and the Clinical Affiliation Agreement, the committee members found the Clinical Facility Fact Sheet to be incomplete.

**A motion to table the addition of Cookeville Regional Medical Center as a clinical rotation site for the Motlow State Community College Medical Laboratory Technician Program until April 17, 2019 was made by Ms. Walton**

Second: Ms. Cox

Motion approved

**Administrative  
Revocation of  
License:**

**Nothing Presented**

**Rulemaking Up-Date:**

**Nothing Presented**

**Reserved:**

**Nothing Presented**

**Clarification staff correspondence/inquiries:**

**OTHER BUSINESS:**

Personnel and Education committee members reviewed the changes to the Rules and Regulations governing Medical Laboratory Personnel 1200-06-01 and Medical Laboratory Training Programs 1200-06-02 proposed at the Task Force Meeting on November 1, 2018. This included the reinterpretation of Rule 1200-06-01-.22 (1)(a)(2)(i) (see Attachment 1)

Motion to approve changes made to the Rules and Regulations Governing Medical Laboratory Personnel 1200-06-01 and to review with all the Board members at the meeting on January 18, 2019: Mr. Johnson  
Second: Ms. Cox

Motion to approve verbal changes made to the Rules and Regulations Governing Medical Laboratory Training Programs 1200-06-02 and to review with all the Board members at the meeting on January 18, 2019:  
Dr. Vaughan  
Second: Ms. Briggs

**Statement of Next Meeting:**

The next Personnel and Education Committee Meeting will be April 17, 2019

and will begin at 1 PM CDT in the Iris Room, Ground Floor,  
Metro Center Complex, 665 Mainstream Drive, Nashville, TN 37243

**Record of Adjournment:**

With no other business before the Personnel and Education Committee to discuss, the meeting adjourned at 4:20 PM CST.

**Motion:** Mr. Johnson

**Second:** Ms. Dolsen

**Motion Approved**

**Meeting Adjourned**

## Attachment 1 to the January 16, 2019 Personnel & Education Committee Meeting

### TASK FORCE REINTERPRETATION OF RULE 1200-06-01-.22(1) (a) (2)(i)

Participants of Task Force meeting held on November 1, 2018:

Lynda S. England, MT (ASCP), Director TN Medical Laboratory Board  
Nina V. Smith, MT (ASCP) Consultant TN Medical Laboratory Board  
Kyonzte Hughes-Toombs, Deputy General Counsel, Dept. of Health Licensure & Regulation  
Kathleen Kenwright, Ed.D MT (ASCP) Med. Technologist Educator, Chair of P & E Committee  
Patti J. Walton, MT (ASCP) Hospital/Lab Mgr./Adm. Dir., Board Chair  
Michael Johnson, MT (ASCP) Medical Technologist Generalist, Board Vice-Chair  
LeeAnne Briggs, MPH, MLS (ASCP), Program Director of UT Knoxville MLS Training Program  
Kim-Sue Tudor, PhD, MT (ASCP), Program Director of Motlow State Cmty.Coll. MLT Training Program  
**Jane Semler, MS, MT (ASCP)** Associate Professor, APSU MLS Training Program

**The above participants of the Task Force determined that the Rule 1200-06-01-.22(1)(a)(2)(i) should be reinterpreted with the understanding that if an applicant has passed a national certification exam, has obtained a baccalaureate degree and has completed a NAACLS accredited program, they meet the requirements for licensure as a Medical Technologist in TN.**

The course requirements outlined in **1200-06-01-.22 (1) (g)** apply to applicants that are in the following categories:

**1200-06-01-.22(1)(a)(2)(ii)** MLT upgrading to MT without attending a MT training program, **1200-06-01-.22(1)(a)(2)(iii)** MLT with military training upgrading to MT without attending a MT training program, and  
**1200-06-01-.22(1)(a)(2)(iv)** applicant with no training program, but has 5 years of work experience and a baccalaureate degree.

This updated interpretation was necessary for the following reasons:

1. The traditional hospital certificate programs have been replaced by college programs that give semester credits for medical technology classes. If these classes have been approved by NAACLS as being satisfactory for the accreditation of the training programs, it stands to reason that the out of state graduates of these programs have met the course requirements to be licensed in Tennessee as a Medical Technologist.
2. The recognition of the NAACLS accreditation of out of state MT programs is addressing the shortage of medical laboratory professionals in Tennessee and is promoting commerce within the state. The mission of the Department Health is to protect, promote and improve the health and prosperity of people in Tennessee.

**1200-06-01-.22 QUALIFICATIONS, RESPONSIBILITIES AND DUTIES OF TESTING PERSONNEL.**

(1) Qualifications. All testing personnel must hold a valid Tennessee license issued by the Board to perform or report a laboratory test.

(a) To become licensed as a medical laboratory technologist an applicant must:

1. Submit satisfactory evidence of successfully completing and passing a national certifying examination and being nationally certified at the technologist level by either the ASCP, NCA, NRCC, NRM, ABB, AMT or any other national certifying agency recognized by the Board (Successful completion of the Health and Human Services proficiency examination in clinical laboratory science does not meet this criteria for licensure); and

2. In addition to possessing the national certification required by part 1. of this subparagraph, submit satisfactory evidence of having met one (1) of the following educational criteria:

(i) A baccalaureate degree in medical technology or in one of the biological, chemical or physical sciences, and completion of a medical laboratory technologist training program that was, at the time of graduation, either

(I) approved or under the auspice of the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS); or

(II) approved by a national accrediting agency acceptable to the Board; or

(III) completed in a specialty program conducted by a hospital or other institution approved pursuant to Rule 1200-06-02-.04; or

ii) A baccalaureate degree from an accredited college/university, completion of an accredited MLT/CLT training program and three (3) years of full time clinical laboratory work experience as defined in subparagraph (1) (h); the individual must have completed science coursework equivalent to that required in a laboratory science education program as defined by subparagraph (1) (g); or

(iii) A baccalaureate degree from an accredited college/university, completion of an official military laboratory procedures course of at least fifty (50) weeks duration in residence and have held the military enlisted occupational specialty of Medical Laboratory Specialist, and three (3) years of full time clinical laboratory work experience as defined in subparagraph (1) (h); the individual must have completed science coursework equivalent to that required in a laboratory science education program as defined by subparagraph (1) (g); or

(iv) A baccalaureate degree from an accredited college/university and five (5) years of full time clinical laboratory work experience as defined in subparagraph (1) (h); the individual must have completed science coursework equivalent to that required in a laboratory science education program as defined by subparagraph (1) (g).

(g) The science coursework equivalent to that required in a laboratory science education program includes:

1. Sixteen (16) semester hours or twenty-four (24) quarter hours of chemistry which shall include one (1) full academic year of general chemistry courses including lectures and laboratory and one (1) course in organic chemistry or biochemistry including lectures and laboratory,
2. Sixteen (16) semester hours or twenty-four (24) quarter hours of biological sciences. Microbiology is required, including lectures and laboratory, and
3. Three (3) semester hours or six (6) quarter hours of mathematics.
